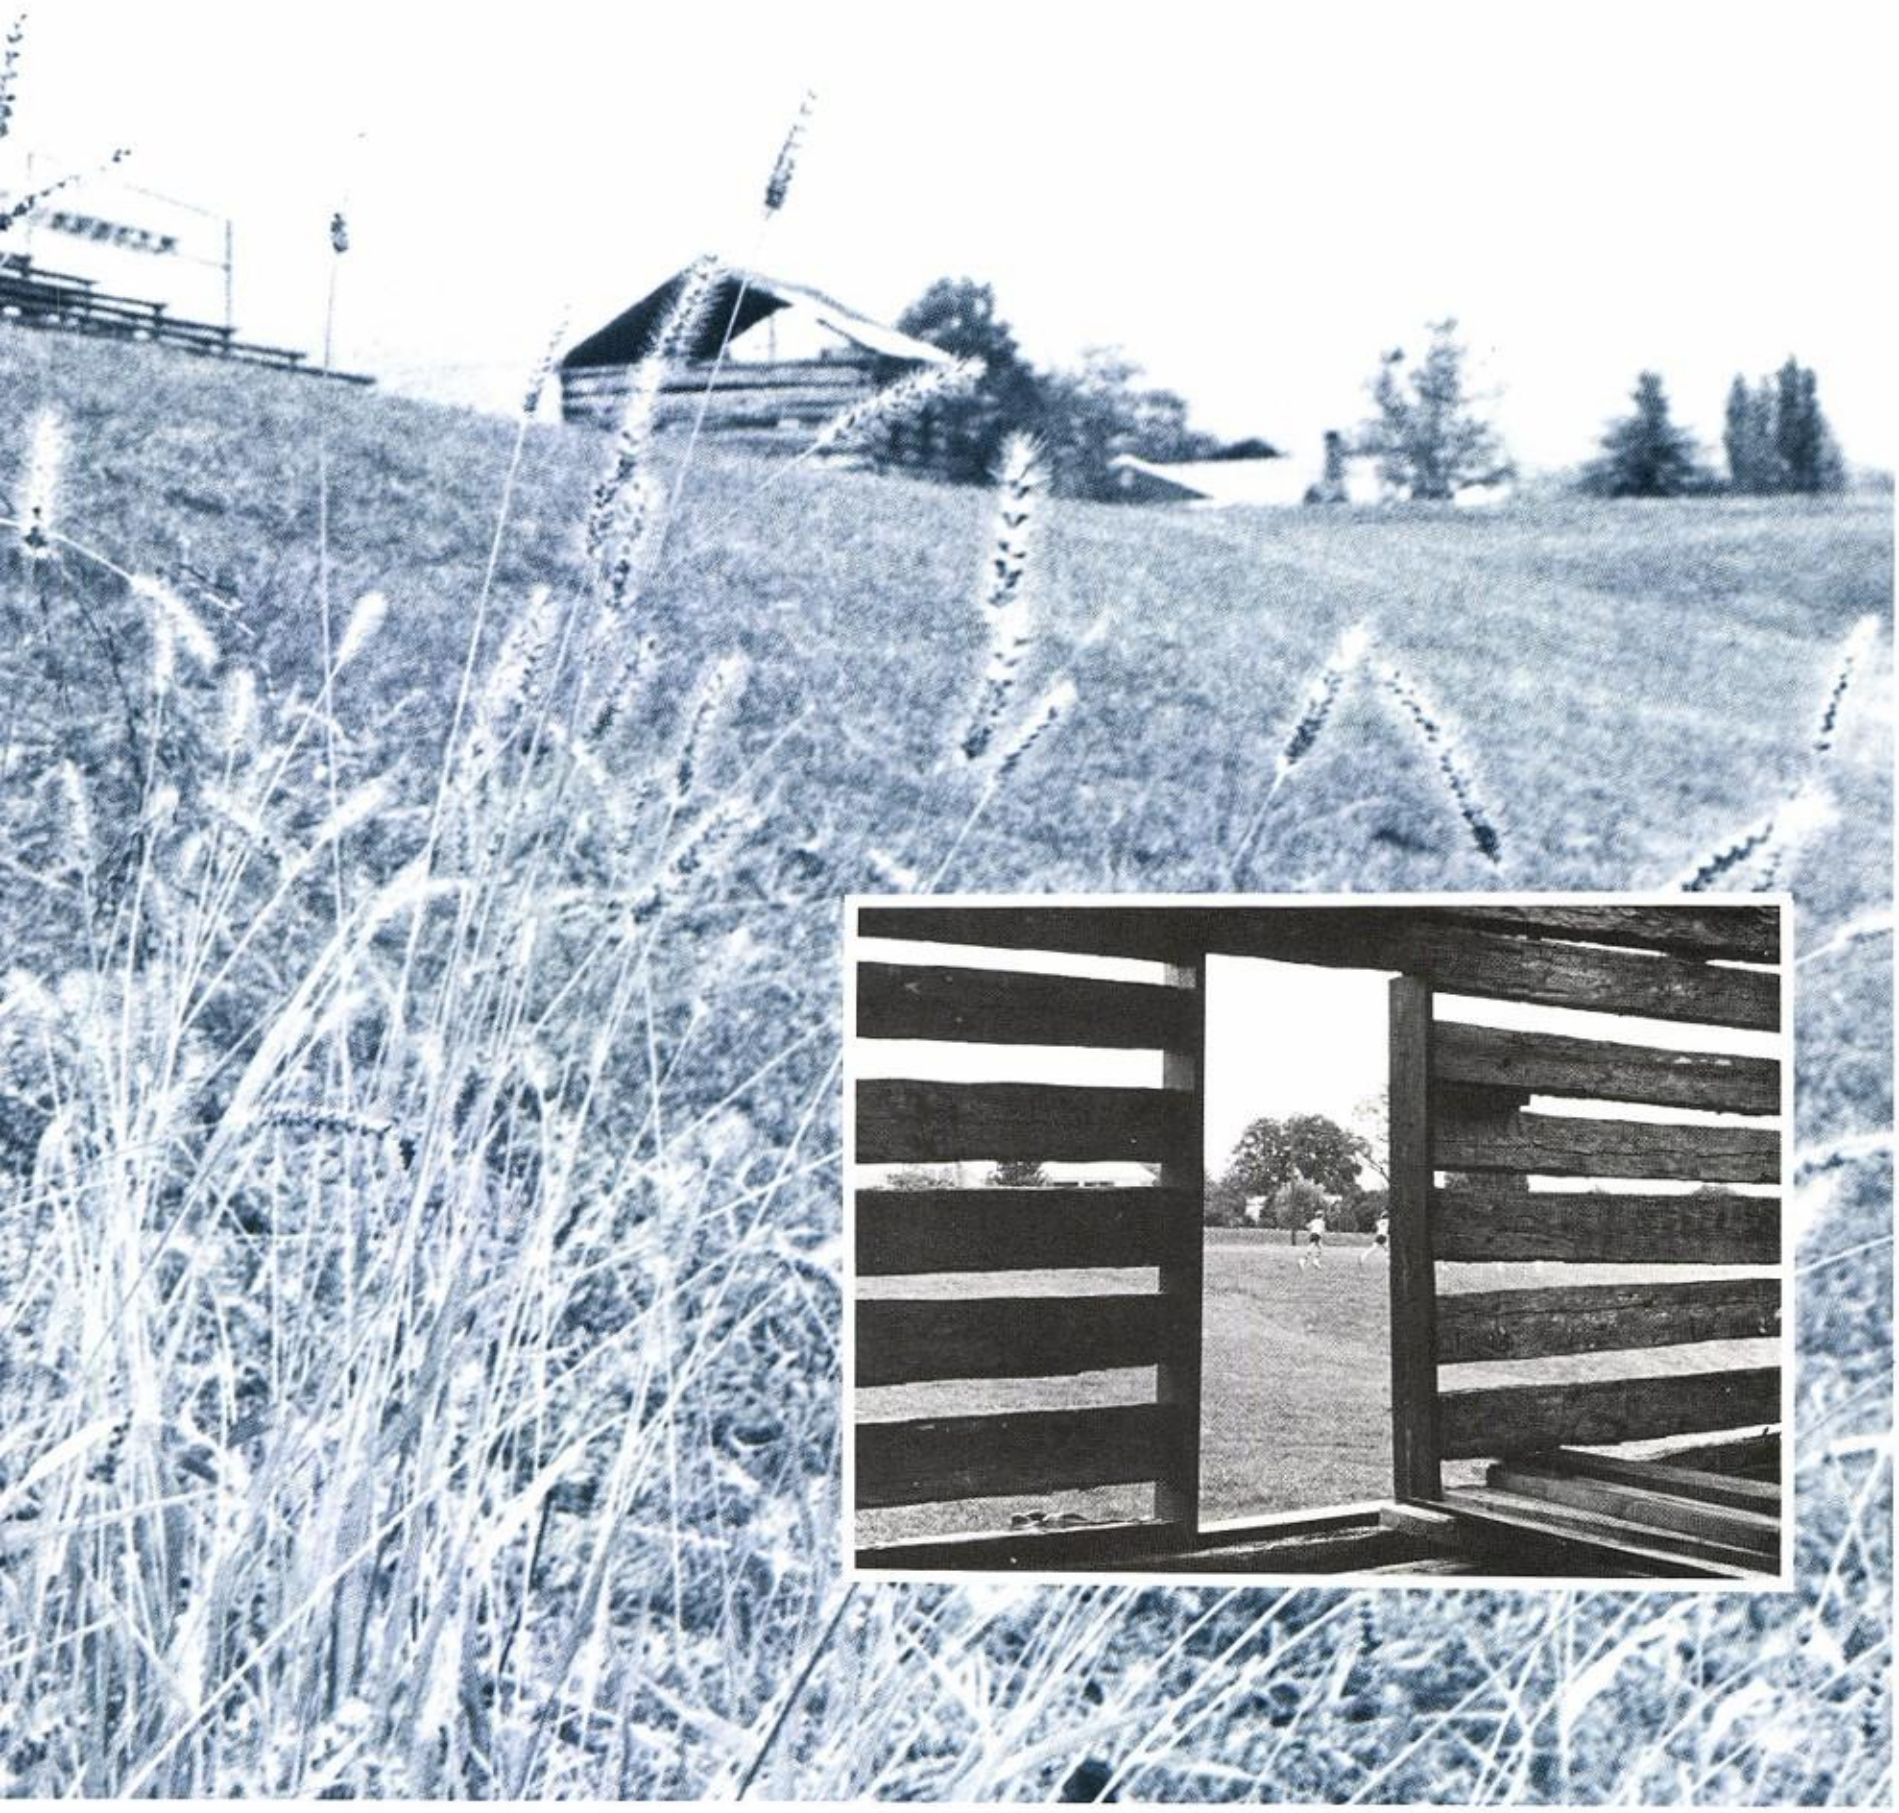
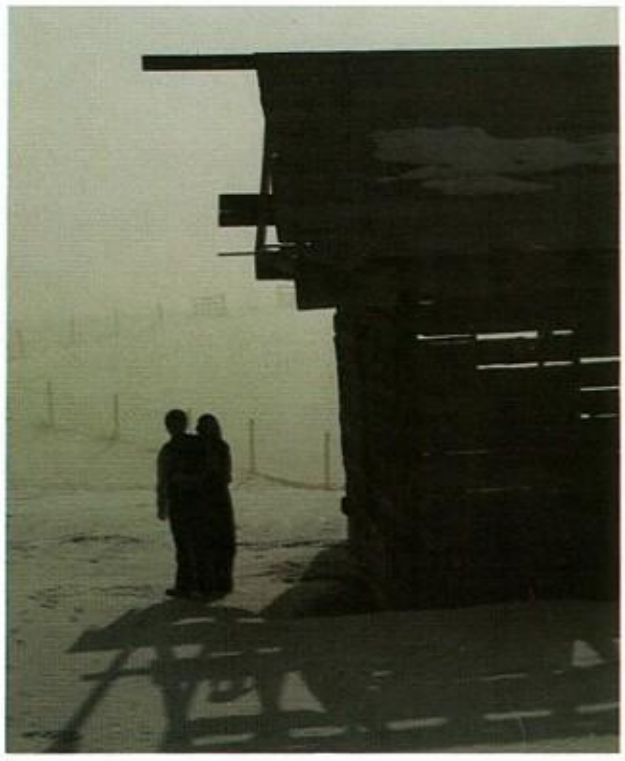
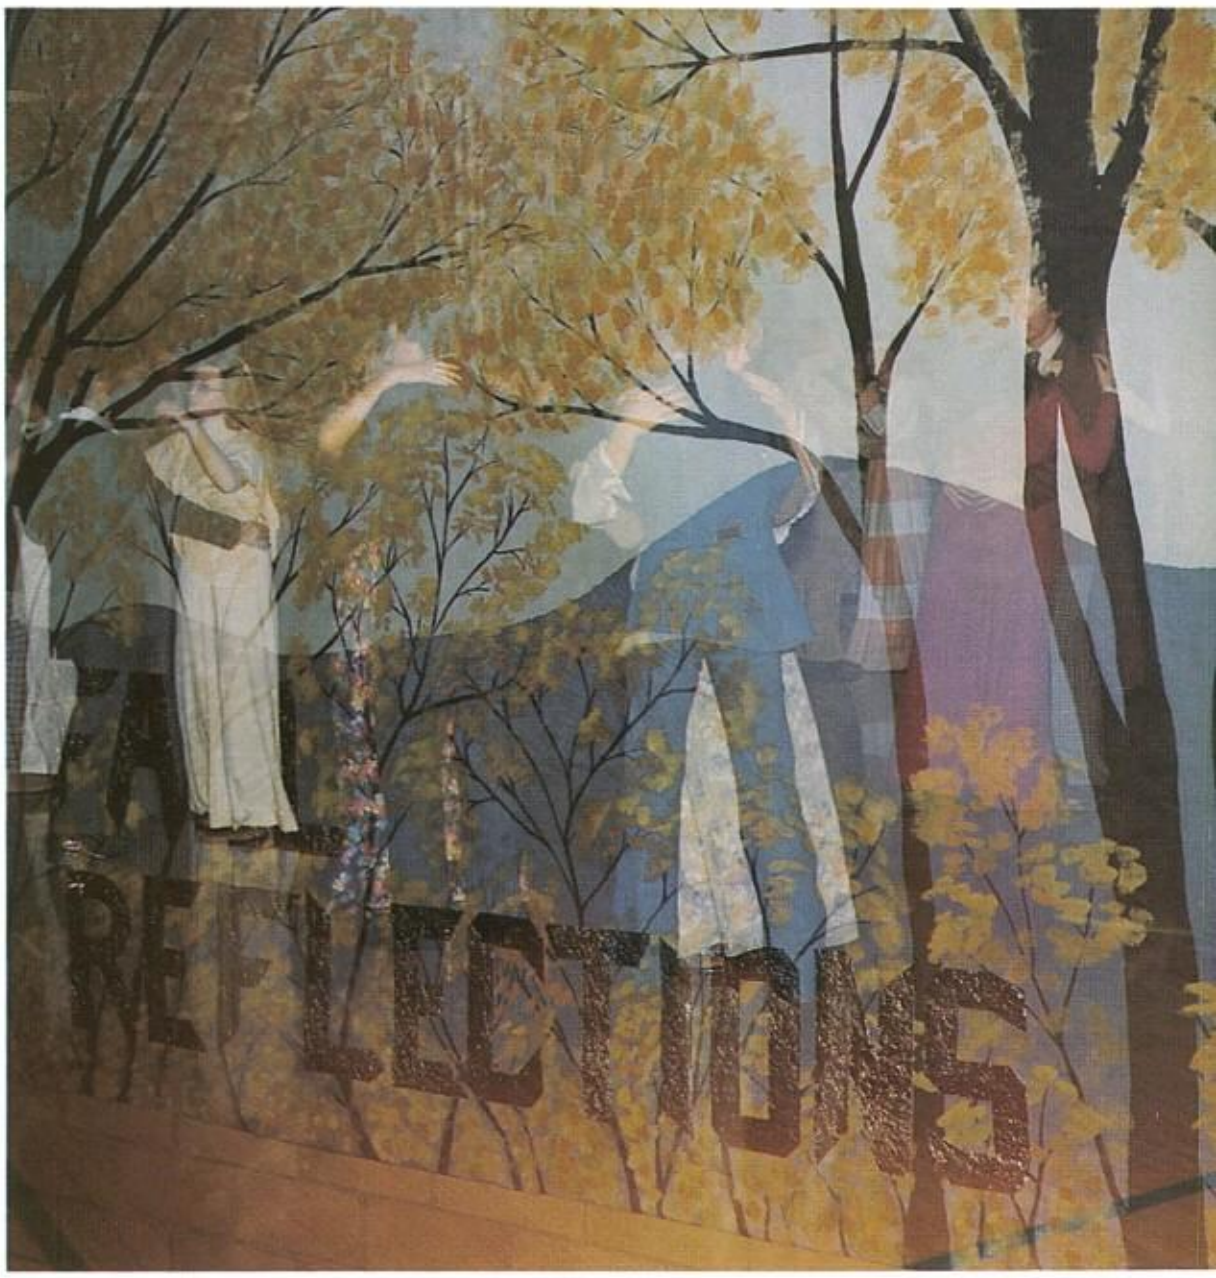
I am your 1978 BOOK.

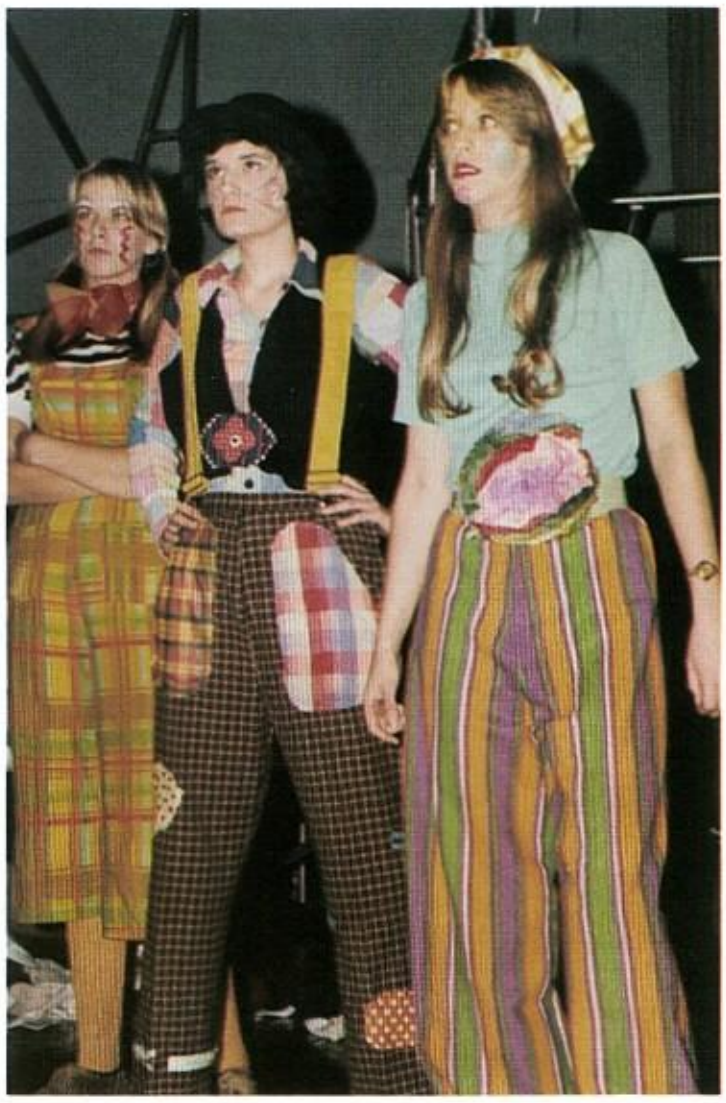
Between my covers you will see highlights of this school year. Each time you find your name and photograph and those of your friends, recall your participation in sports, clubs, and classroom activities. This year and in years to come, look at me often, and each time you do, remember that I provide special memories that reflect the past.



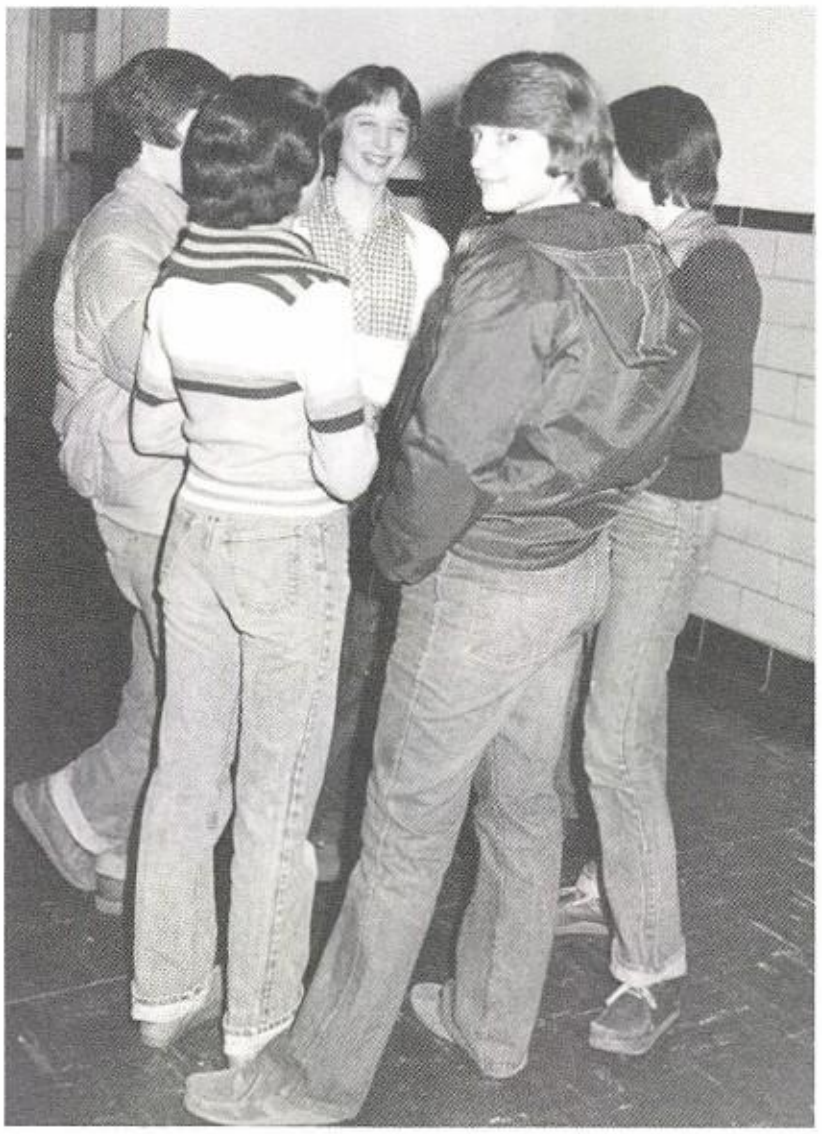
Reflections of people joined together by

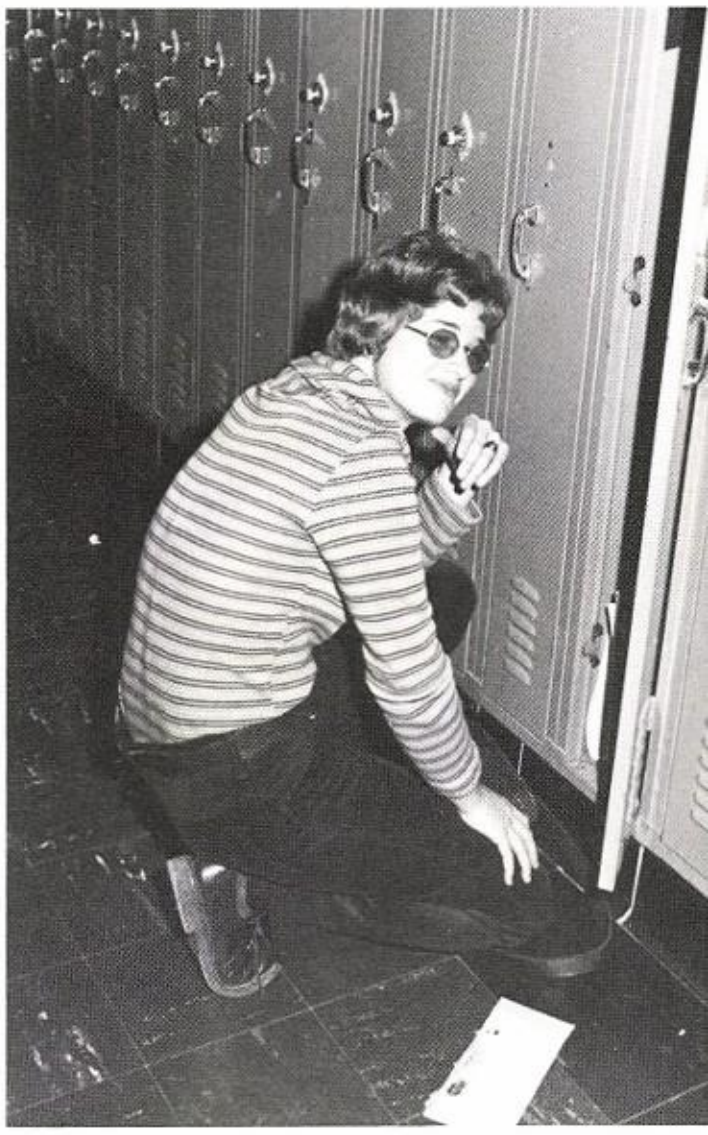






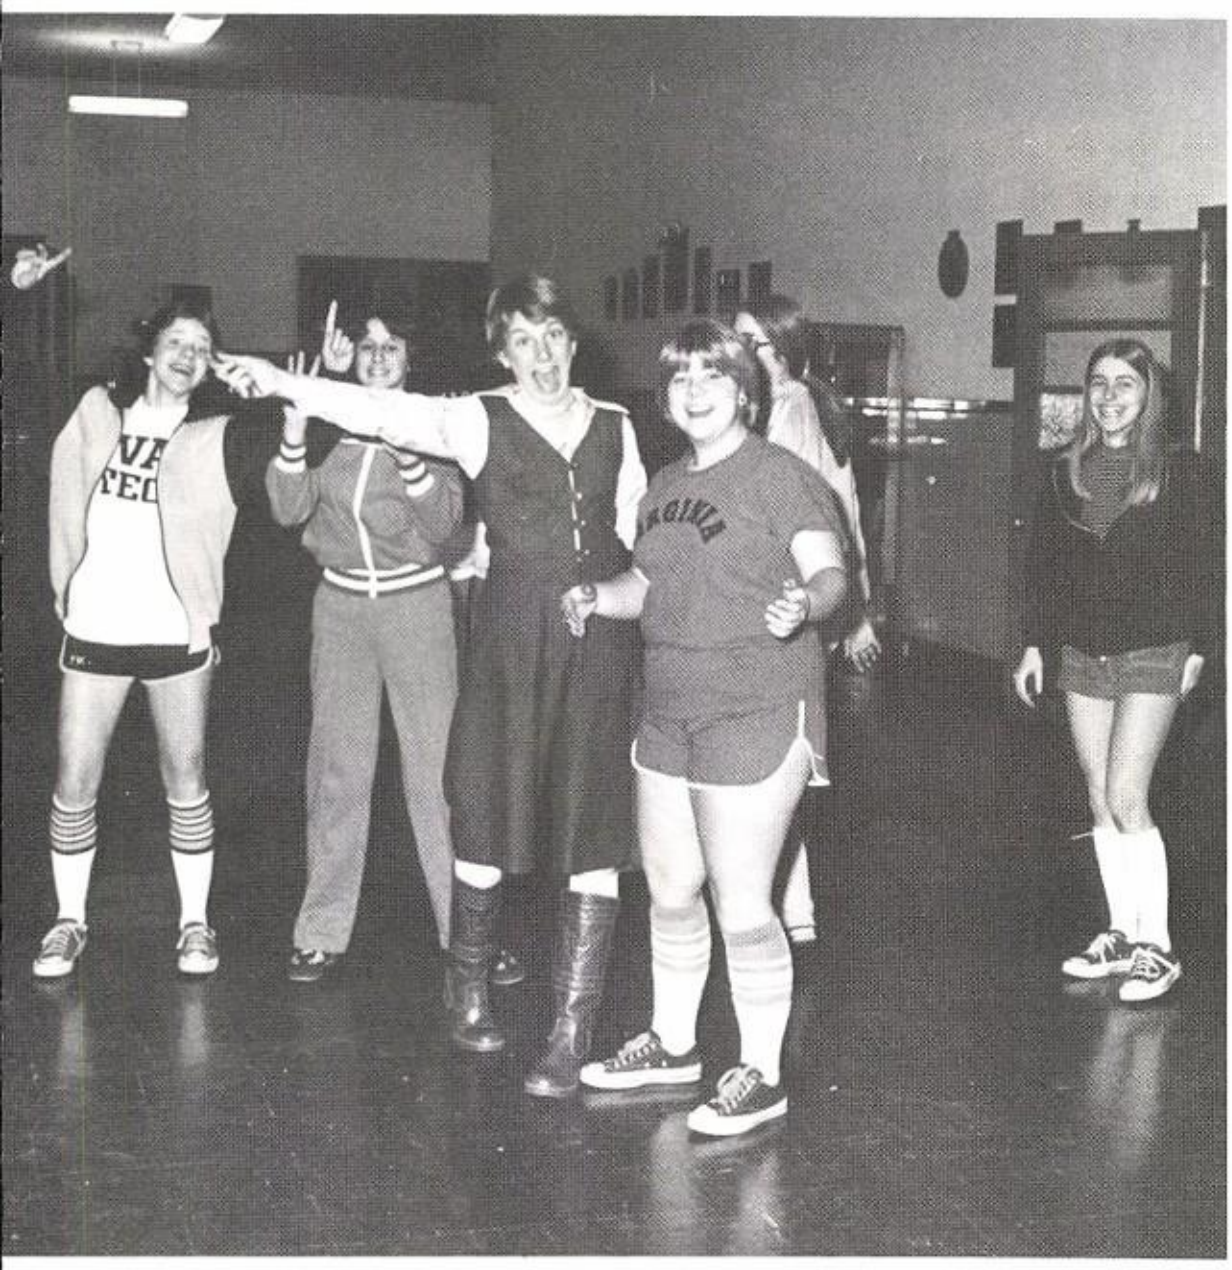
friendships, interests, love, and spirit

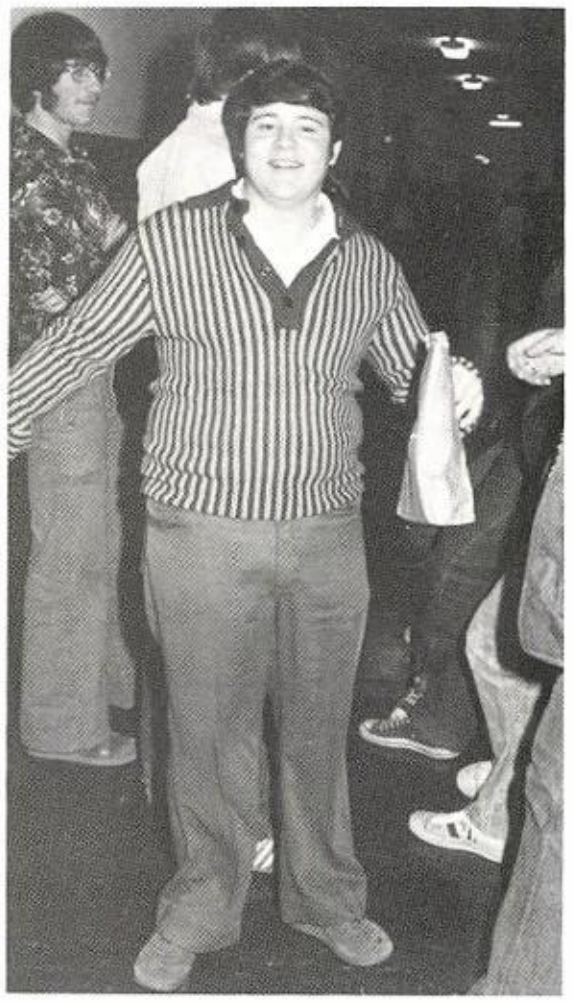




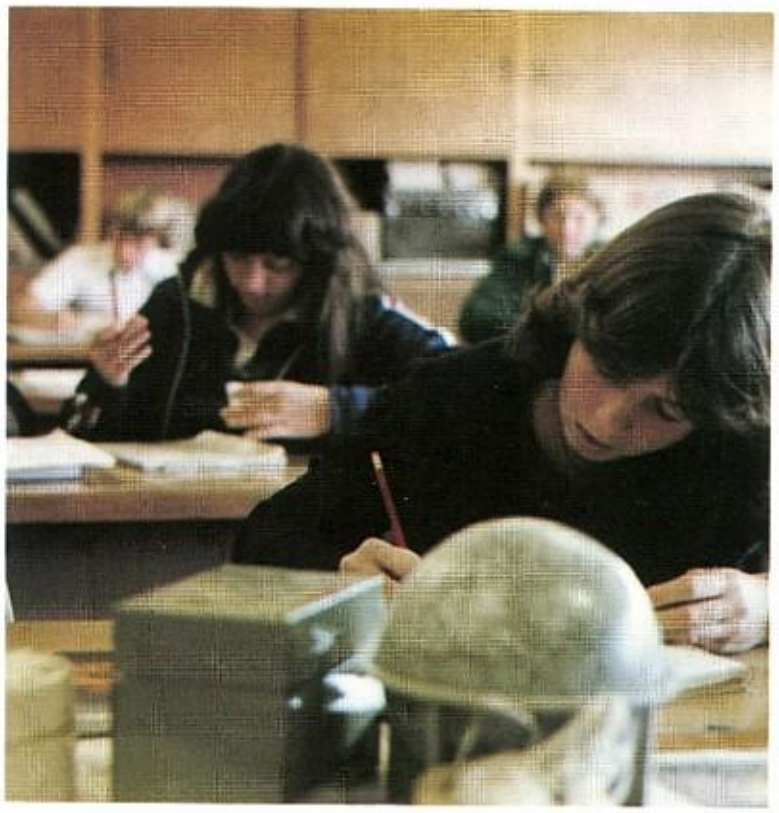
Reflections of smiles

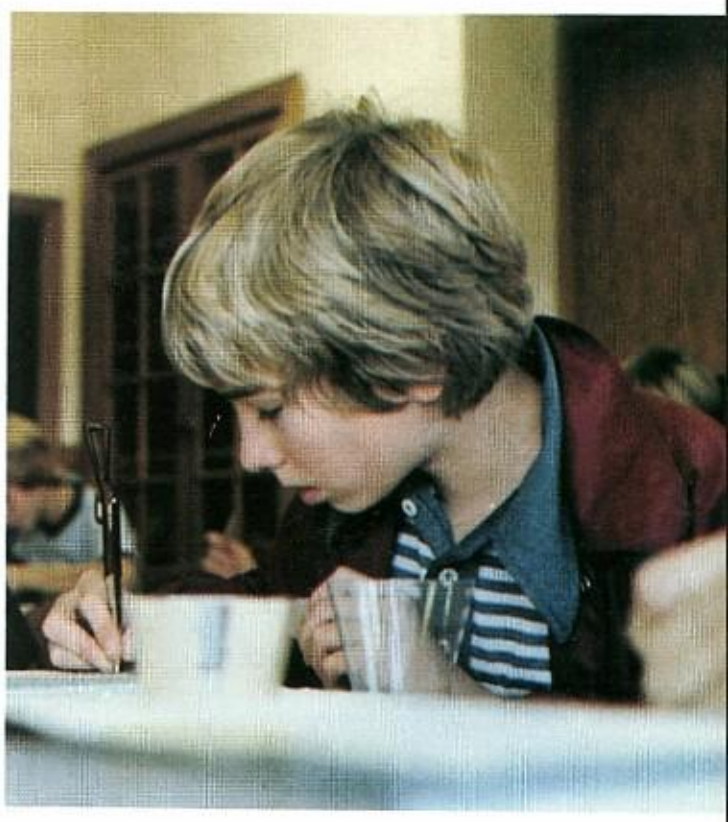
and the mystery behind them

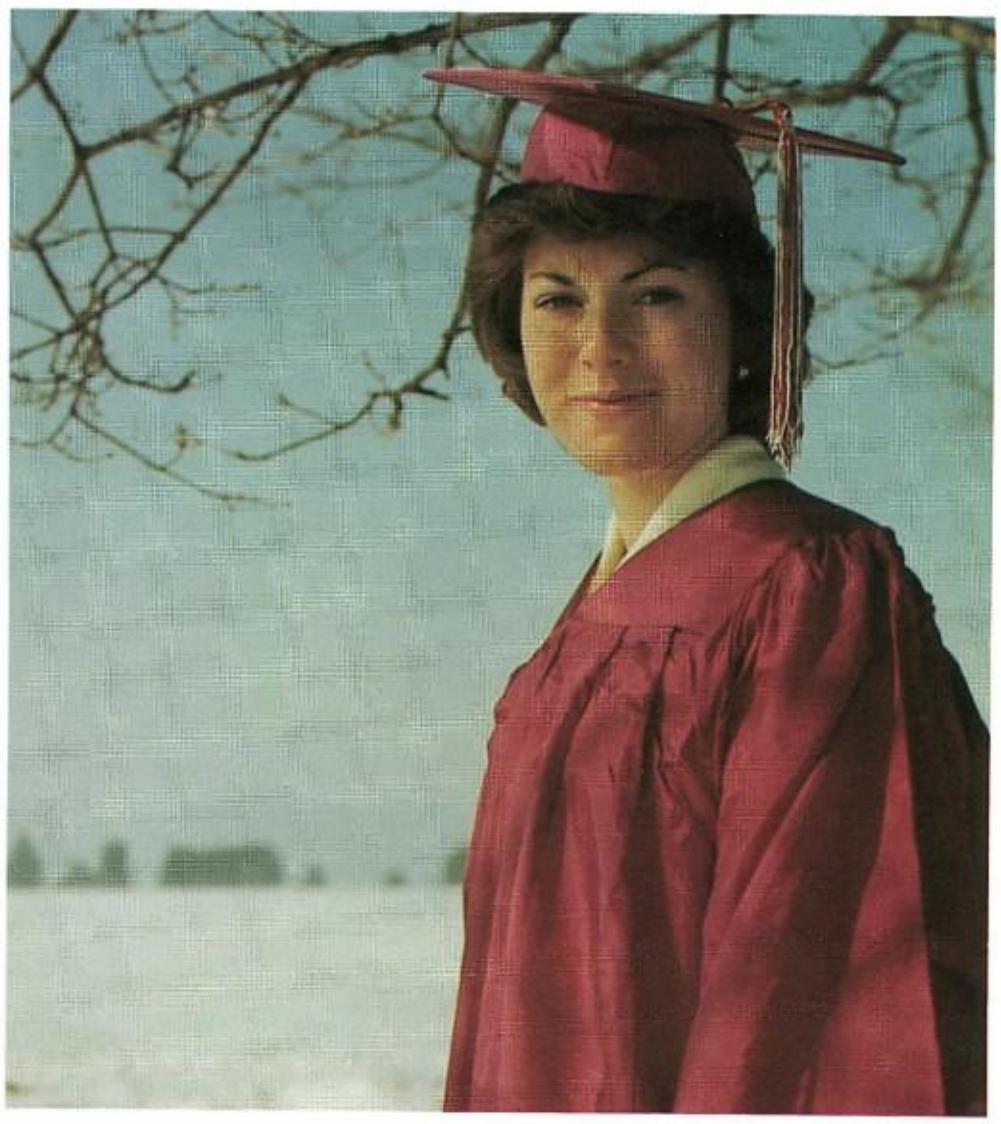




Reflections of the achievement and the







satisfaction of reaching your goals

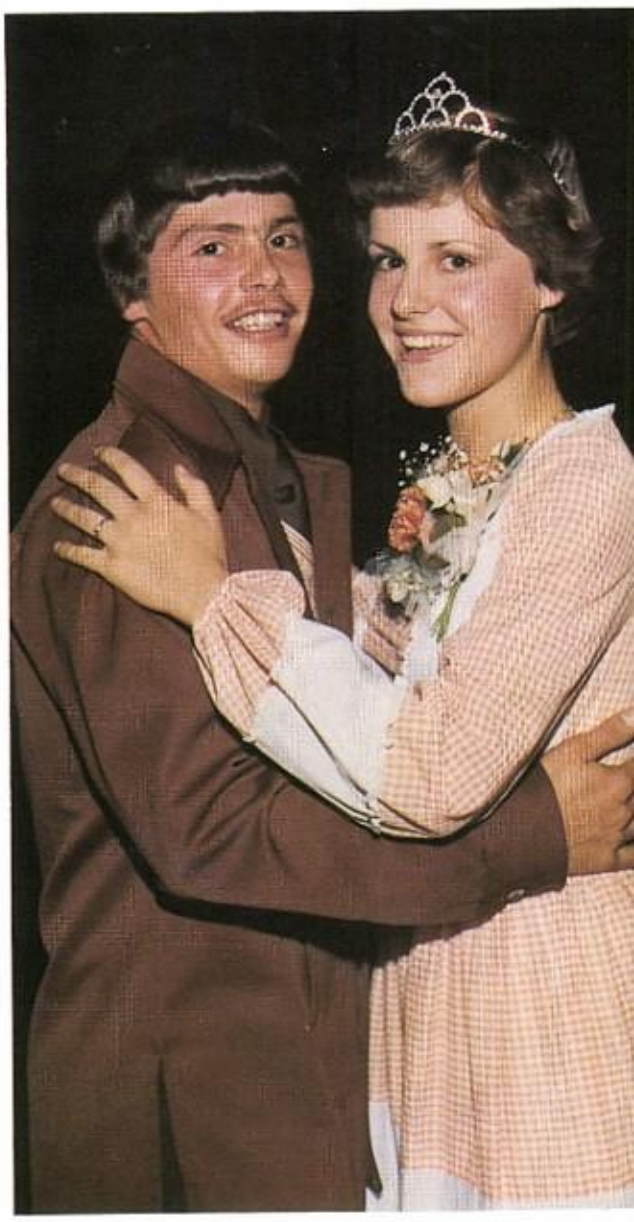
Homecoming Is A Time For Special Memories



The excitement grew as MHS began to prepare for Homecoming. Each class elected representatives, a committee chose the theme, and many hard-working students spent hours decorating the gym. The following night, Queen Melesa McCallister and King Theodore Swartz presided over the dance festivities.

Musical Displays New Talent

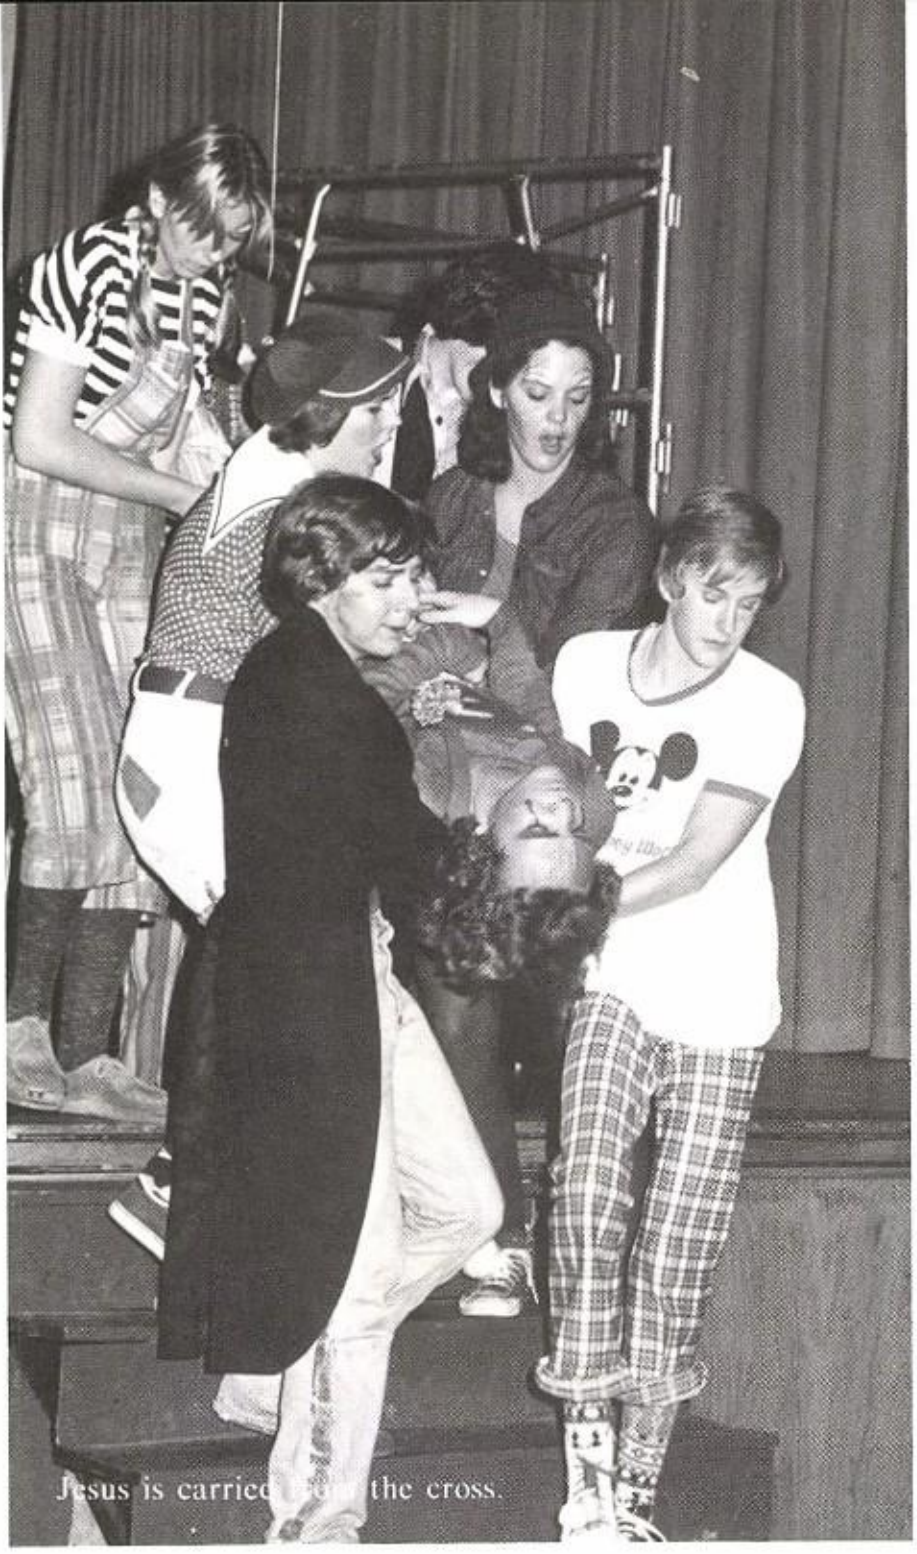
The Montevideo Music Department showed their experties this year when they presented the musical GODSPELL. David MacMillan, director of the musical, said that this was the best musical done because of the outlandish costumes and fine musical background. With the help of strobe lights and the proper settings, the actors displayed their talents in four successful performances. The leading actors of the show were Buck Melton, who played Jesus Christ, and David Cullum as Judas. Completing the cast were Terri Moore, Suzy Raynes, Jeanne Pegram, Sally Sullivan, Ellen Davis, Robby Fleisher, with two newcomers to the acting troop, Kim Galeck and Mary Ellen Blose.

B. Melton states his farewell in the Last Supper.

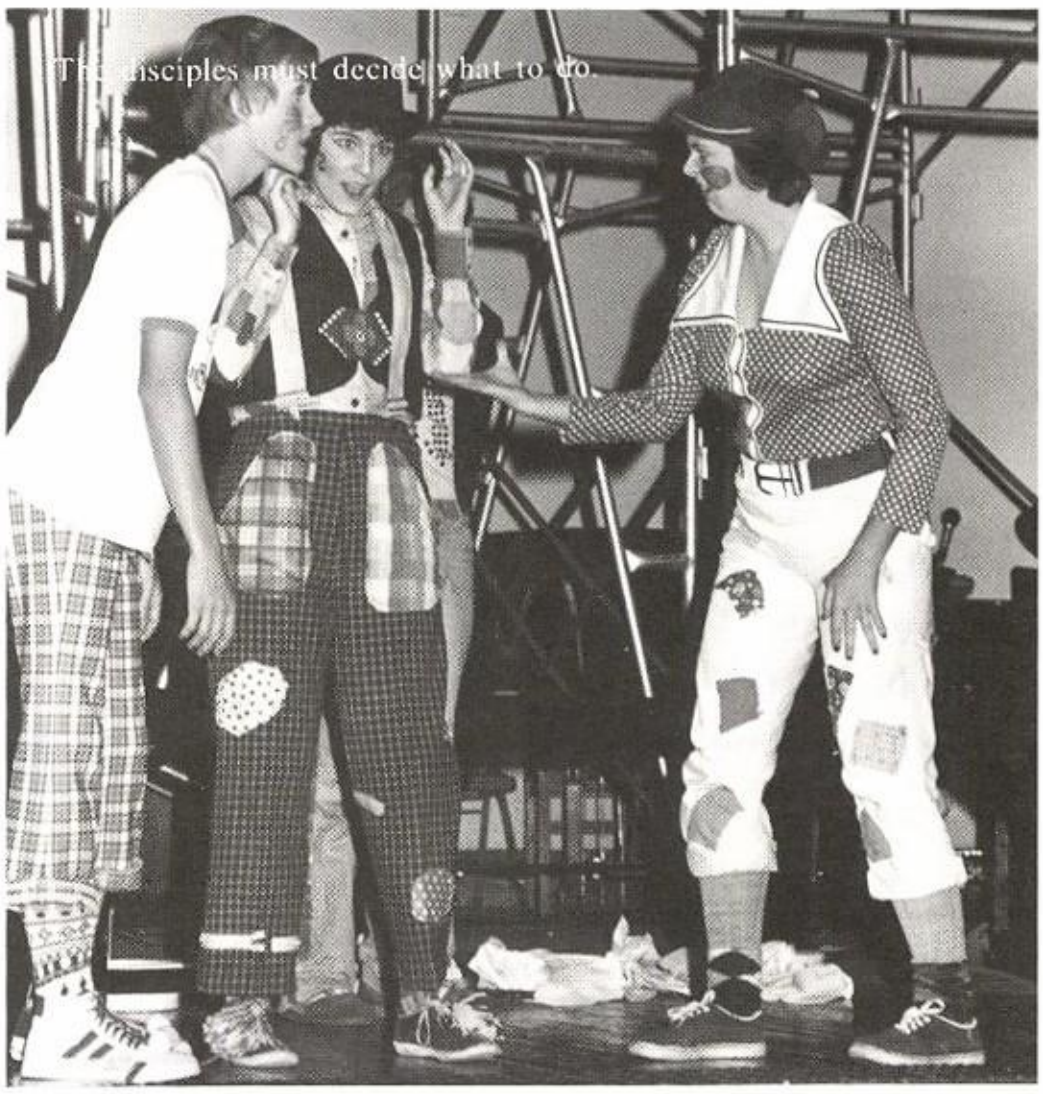
M. Blose and S. Sullivan begin the second act with the reprise.

The cast sings "OH Bless the Lord."

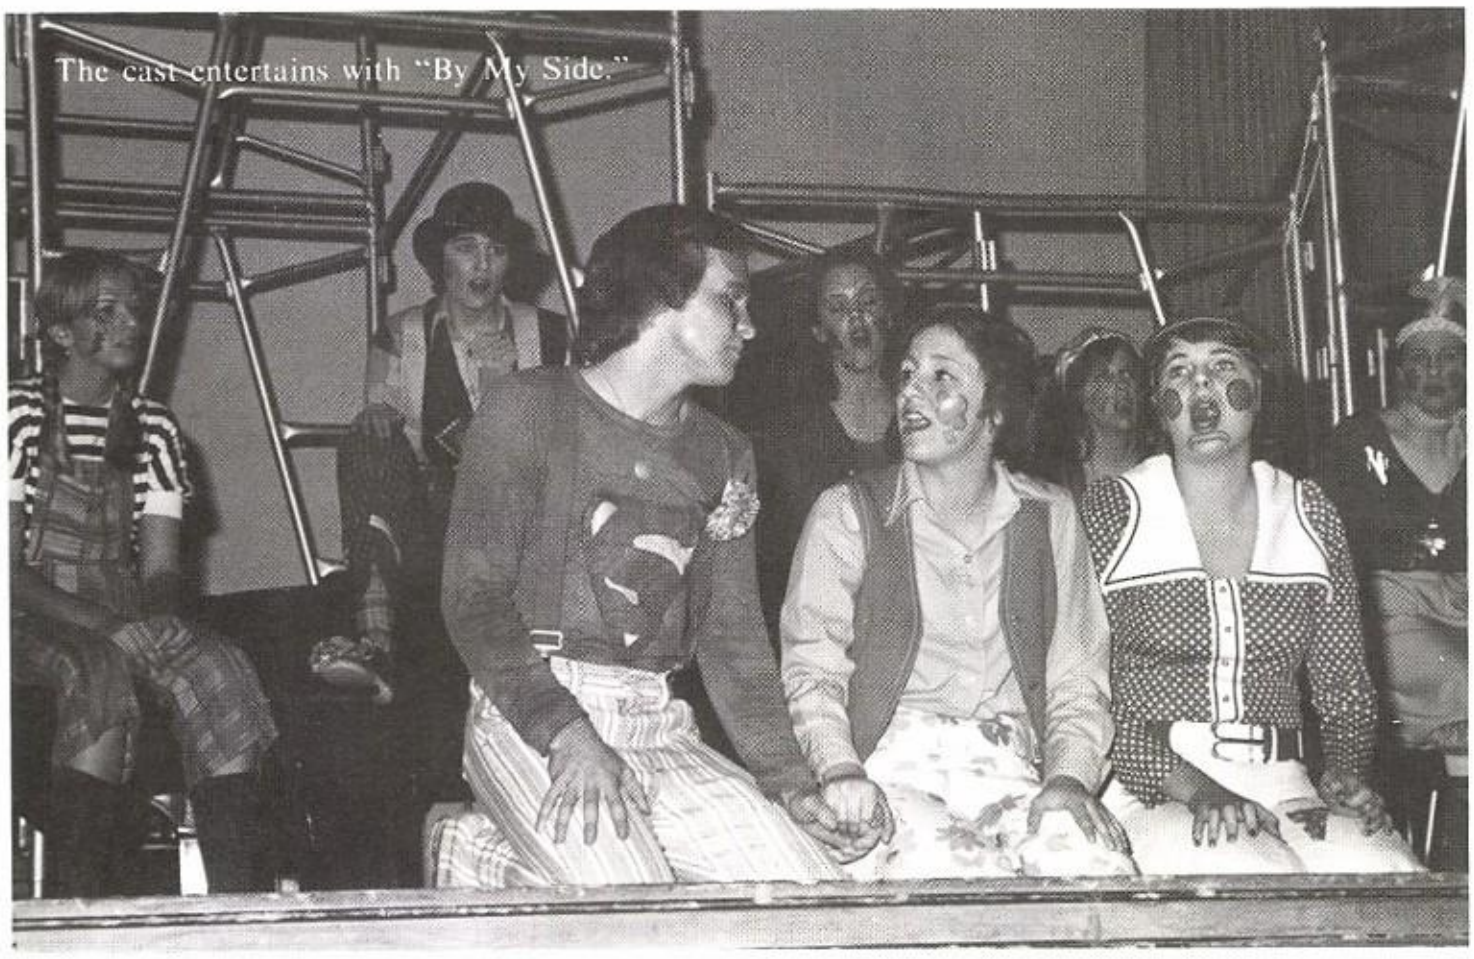
B. Melton and S. Raynes perform the chorus to "Learn Your Lesson Well."



Jesus is carried [illegible] the cross.



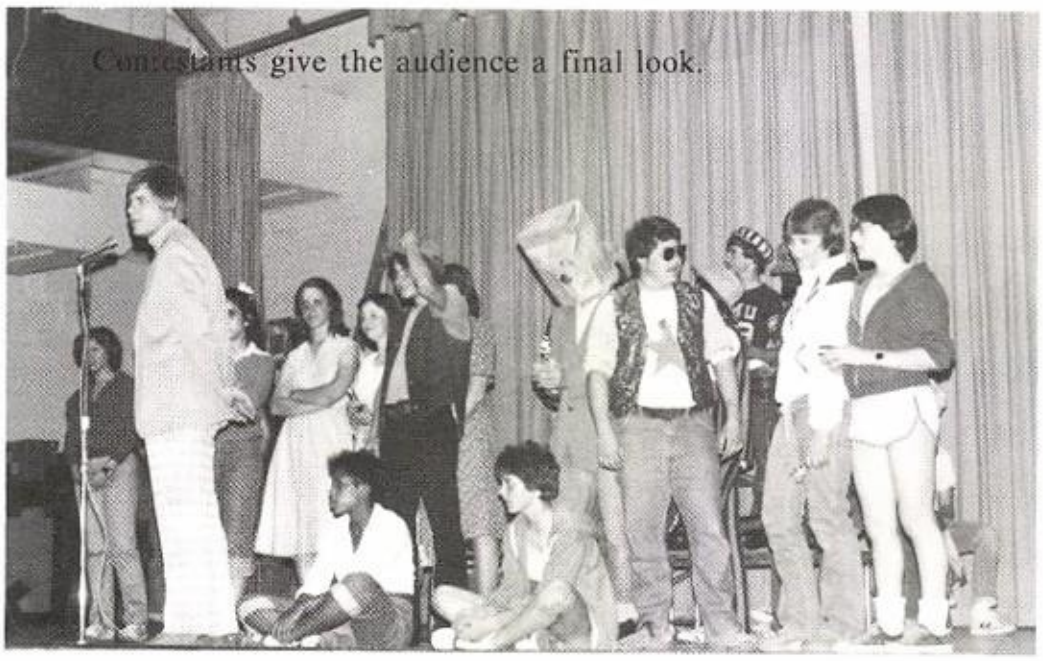
The disciples must decide what to do.



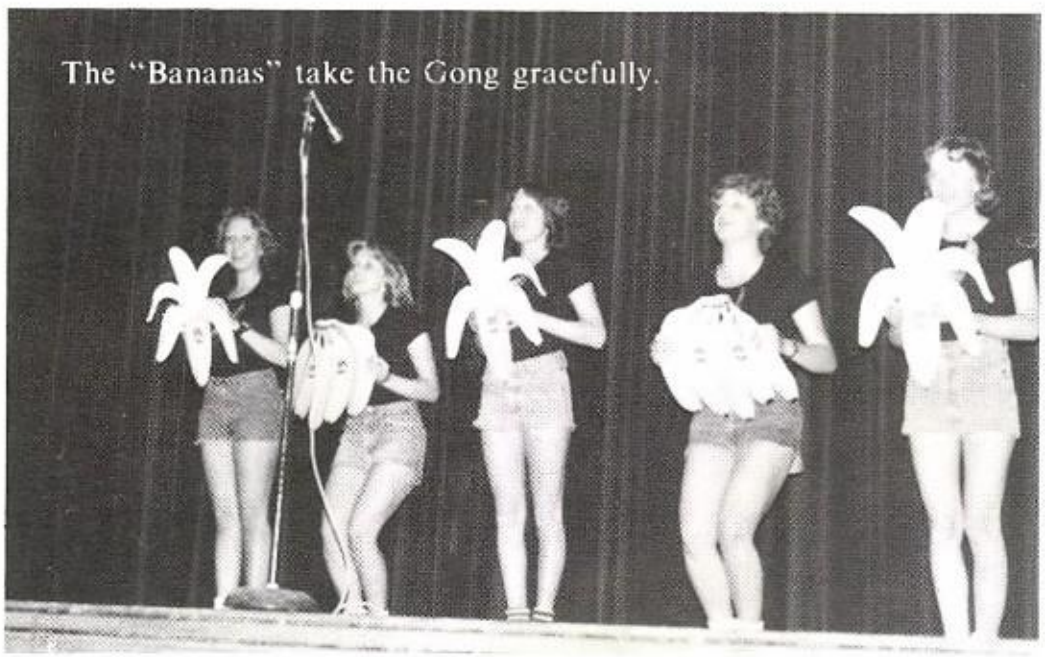
The cast entertains with "By My Side."

The Gong Show Comes To MHS

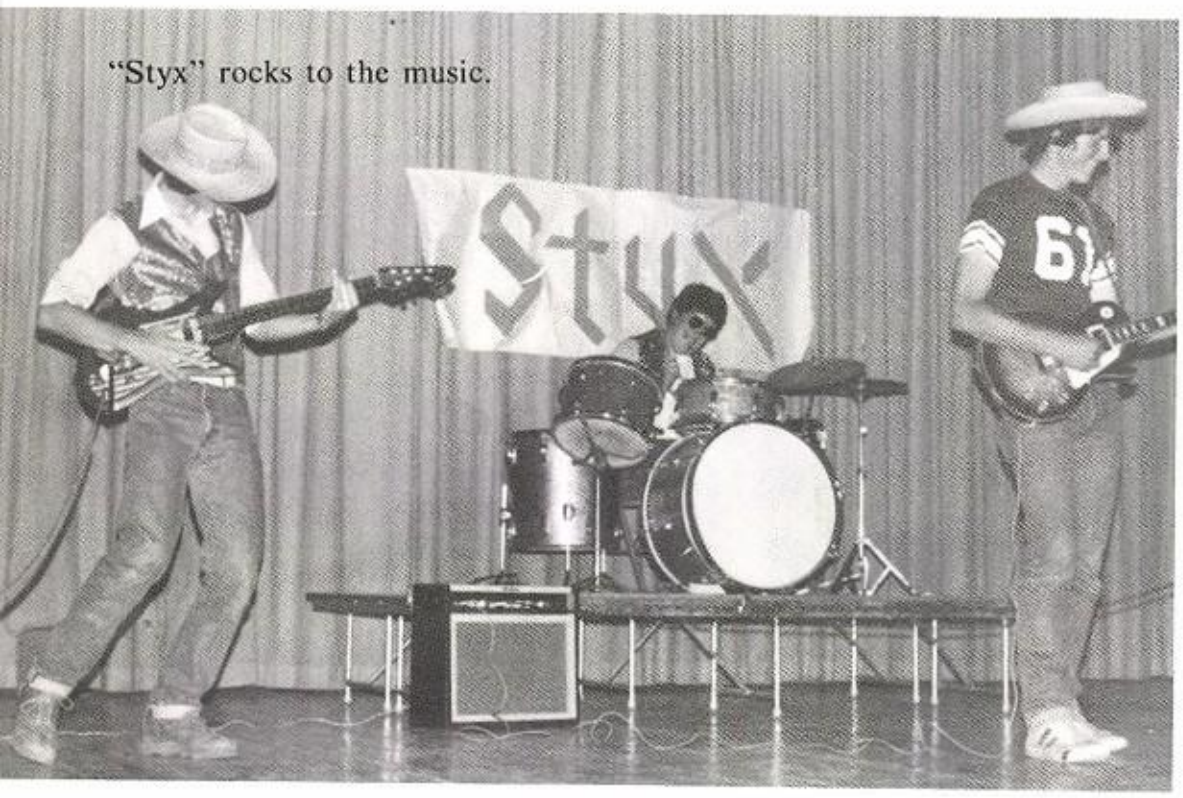
Laughter filled the Montevideo High Auditorium on the night of the first Gong Show, sponsored by the Junior Class. Emcee Jack Raines introduced the interesting acts performed by the students. The award for the best act went to Terri Moore. "The Pimples" (Lori Acker and Donna Moyers) were given the award for the worst act.



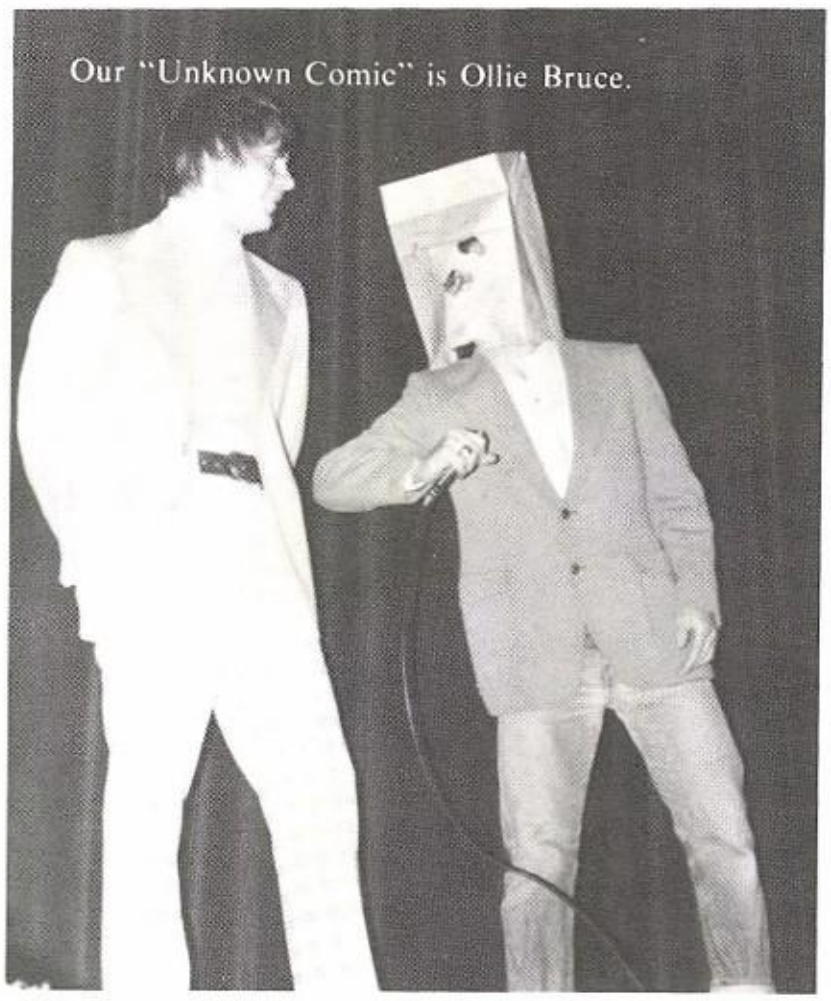
Contestants give the audience a final look.



The "Bananas" take the Gong gracefully.



"Styx" rocks to the music.



Our "Unknown Comic" is Ollie Bruce.

Miss MHS Is Crowned

Royal ladies smile for the audience.

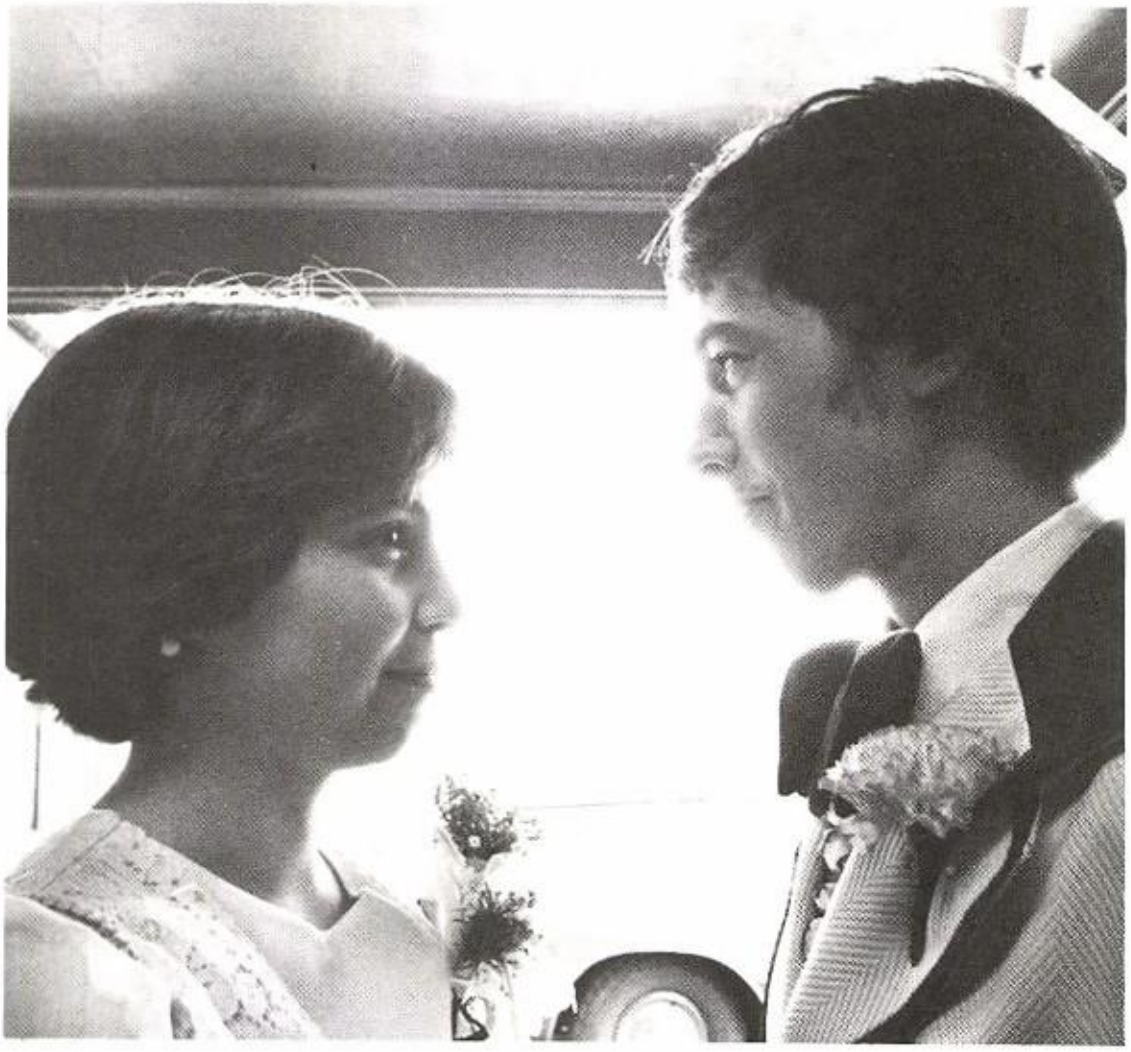
The annual Miss MHS Contest was held in the school auditorium with Emcee Mr. Ed Long. The contestants were judged on their smile, poise, appearance, natural beauty and gown choice. Kristy Strickler was chosen Miss Congeniality. The new Miss MHS for 1978 was Kathy Cullum. The first and second runners-up were Lori Roderick and Diane Dean, respectively.

The 15 semi-finalists are announced.

"Southern Nights" was the theme for the 1978 Junior-Senior Prom, held at the Elkton VFW Hall. Couples danced to the music of "Flight 6." Honors for the nights went to Todd Mitchell and Diane Dean, Prince and Princess; and Jeff Rosson and Kim Good, King and Queen.

Honorary Court: Todd Mitchell, Diane Dean, Kim Good, and Jeff Rosson.

Everyone Enjoys Southern Nights



May Is Carnival Time

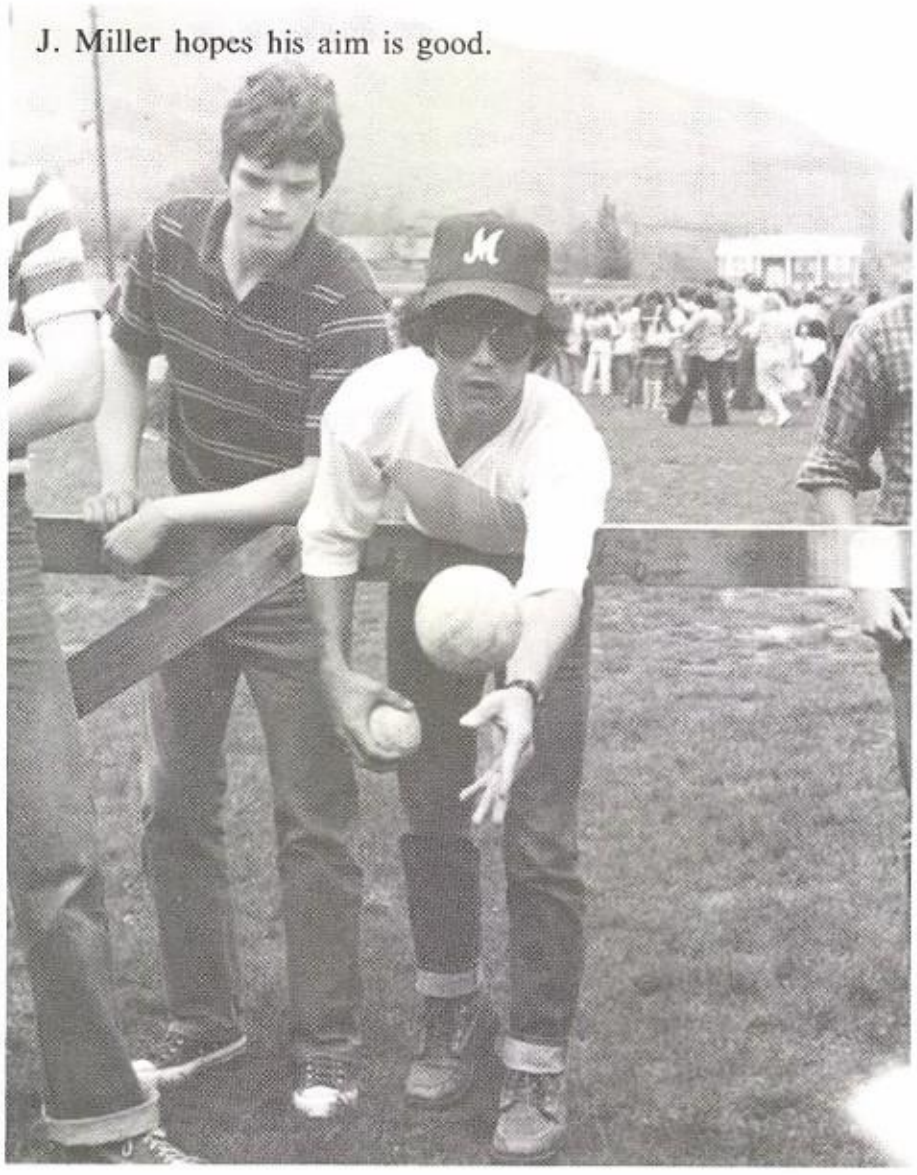
To obtain money to complete the one-room school house, the bicentennial committee of the SCA sponsored a May Carnival. Each club and class in the school was given the chance to set up a booth. Food was sold and prizes were won. Whether working or winning prizes, everyone seemed to have a great time.

P. Workman tries his luck.

A winner claims his prize.

R. Skievaski waits to be dunked.

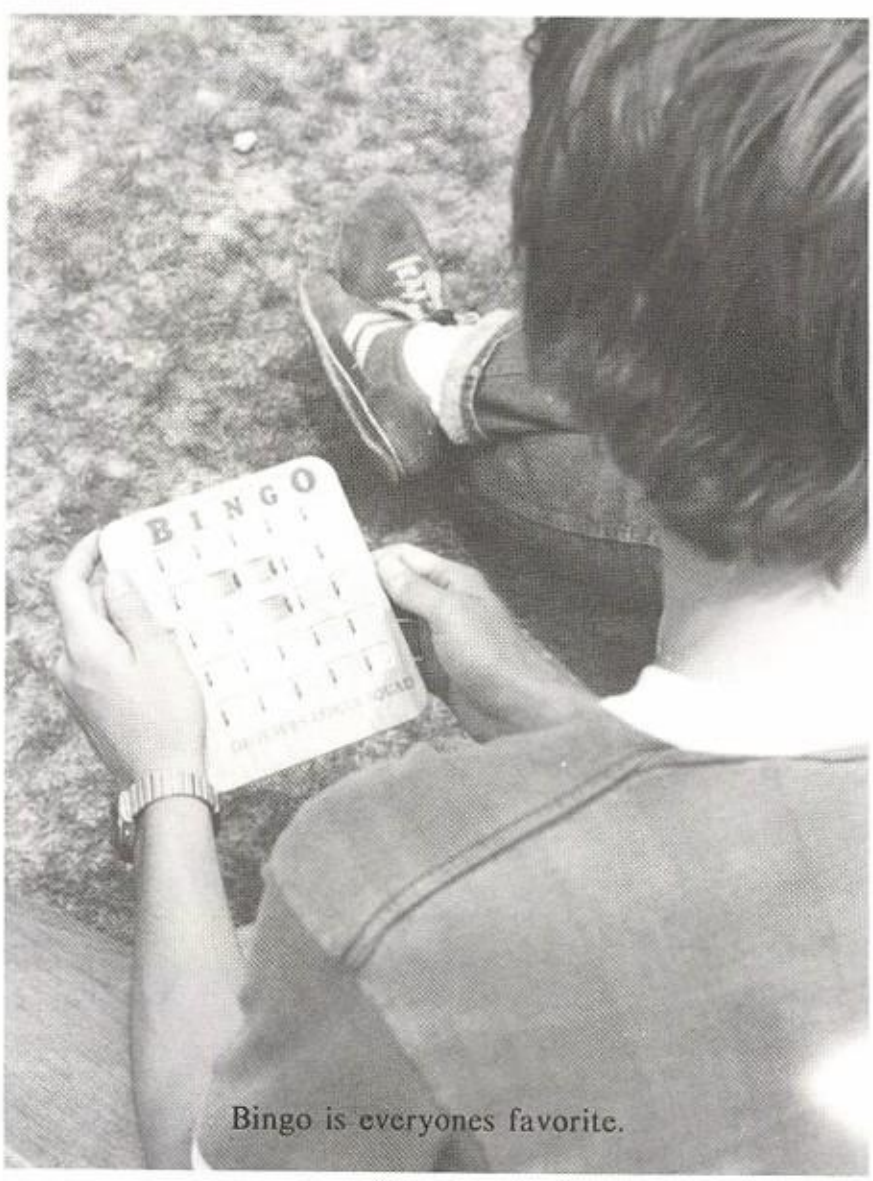
J. Miller hopes his aim is good.



Pitching nickels is challenging.

Spectators wait for their turn.

Everyone is a winner at the fishing booth.

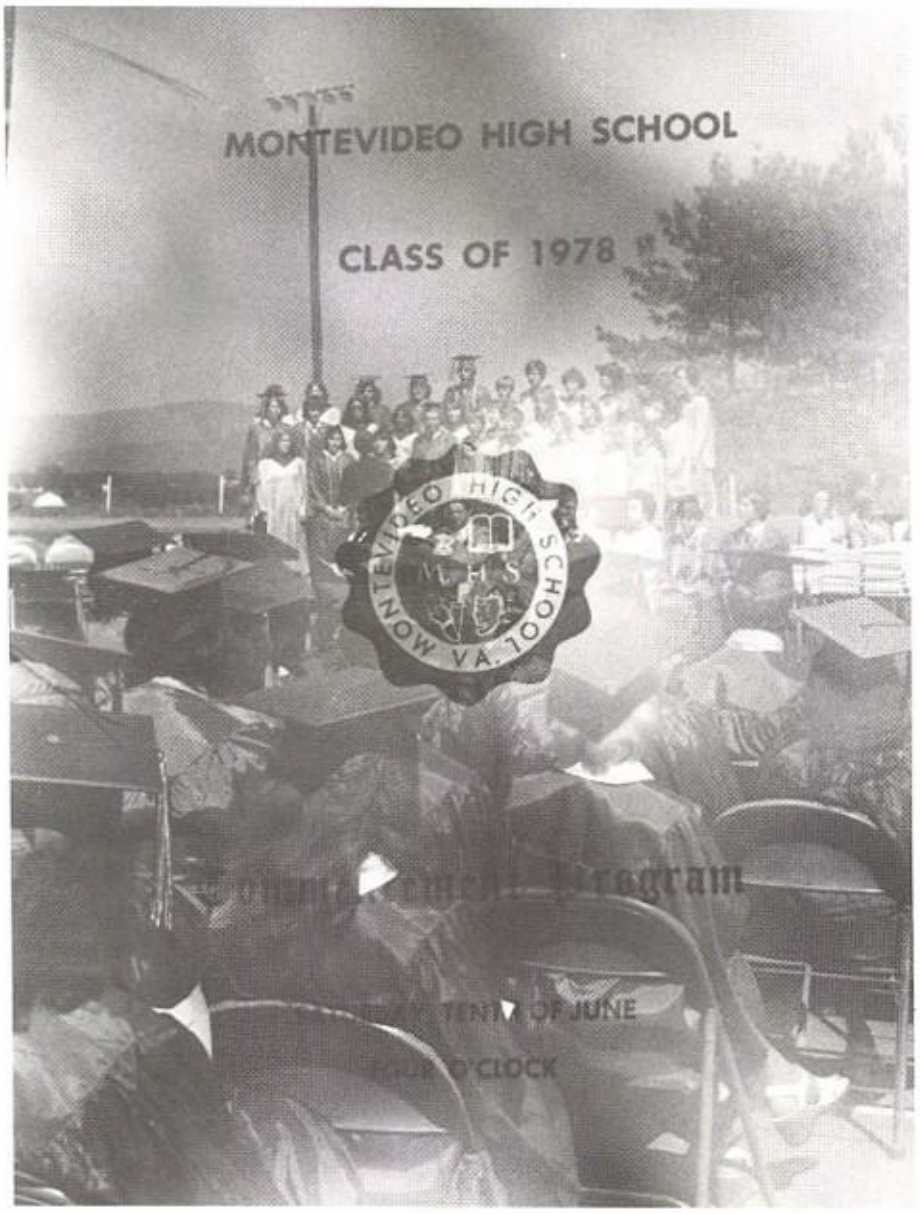


Bingo is everyones favorite.

Alpha Trivetta, former National FFA President, addressed the largest graduating class in MHS history. Mr. Trivetta challenged the graduates to Live Well, Laugh Often, and Love Much. Of the one hundred seventy-two receiving diplomas, eleven did so with honors: Susie Chandler, Connie Hoover, Melonie Crawford, Debbie Heatwole, Frank Hinkle, Robin Kline, Morina Lamb, Darla Miller, Kim Sheets, Mark Souder and Kristy Strickler. Music was provided by the School band and Concert Choir. Tears were shed and congratulations were accepted as the Seniors prepared to put their best foot forward.

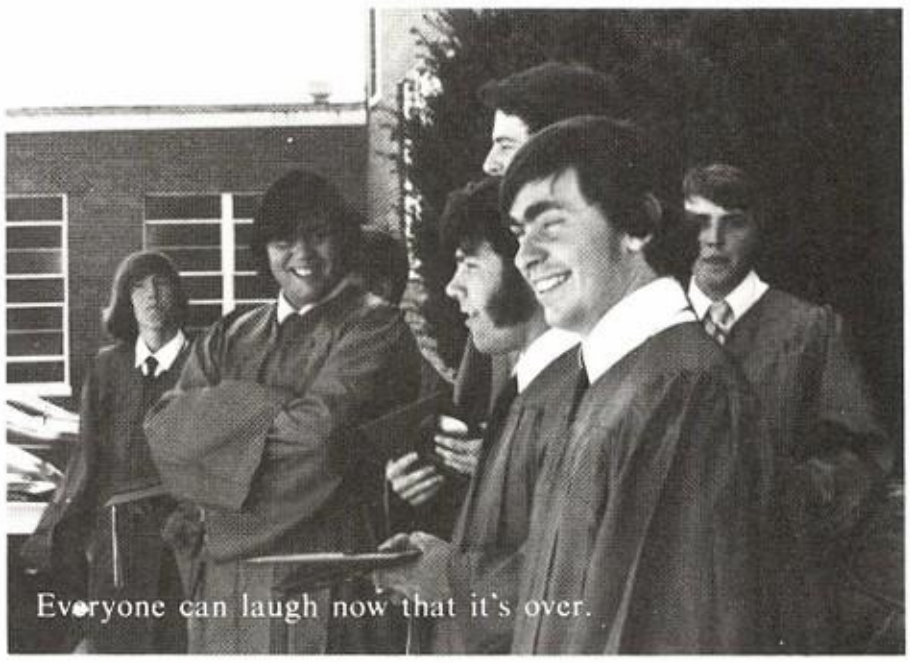
W. Armentrout receives the long-awaited diploma.

SCA President M. McCallister checks her speech.



Graduates Look To The Future

Class President J. Skievaski provides the welcome.



Everyone can laugh now that it's over.

Graduates take time to recall the past year.

FFA Makes For A Brighter Future

The FFA stayed active this year. They competed in many contests on the local, state, and national level. The club came in first in the FFA division of the Block and Bridal Judging Contest. They also received a gold Chapter Award on the national level for Outstanding Chapter and in Chapter Safety. The club also competed in the Parliamentary Procedure Contests on the local and state level. The successful selling of citrus fruits was how the Chapter made its money this year. They also distributed grain seeds. A trip to the State Fair was a highlight of the year.

Maroons Sing Out

Two Montevideo choral groups did their part to add music to the school year. The Concert Choir and Mixed Chorus were featured in Christmas and Spring Concerts. All members seemed to enjoy singing and were very successful in their performances. Choir members Roger Pegram, David Cullum, and Tim Armentrout were selected to sing at Regional Chorus and the entire Concert Choir participated in all County Chorus. Under the direction of Mr. David MacMillian, it was a year of learning new music and advancement for the choruses.

Bands Provide Entertainment

The MHS Band marched in parades this year including numerous fireman's parades and Harrisonburg's Christmas parade. They entertained fans with half-time shows at all the home football games and their parents at a Christmas Concert and the Spring Fine-Arts Banquet. Their money making project, selling candles, enabled them to visit King's Dominion in the Spring.

Club Sees Change

The Drama Club had an unusual year because it had a change of directors. Mrs. Hostetler and Mr. Garrison became the new sponsors at mid-term. Club projects included candy apple sales at football games and the annual Dinner Theater. Members learned to construct sets and other aspects of theatrical production.

It's Fun To Be A Big Sister

The FHA's theme for this year was "Reach Out From Within". FHA girls were big sisters to young kindergarten and elementary school children. We had Birthday and Valentine parties, a cookie baking experience, a rock-a-thon to raise money to go Christmas shopping. At Easter, we had an egg dying experience. A Walt Disney movie at the theater and a picnic for our kids and their families were also sponsored. We had fun on a trip to the Ice Capades and our annual Parent-Daughter Banquet. During FHA Week the whole school participated in a "Who is a Homemaker" contest.

FBLA Emphasizes Business

The FBLA co-sponsored with the FFA a parliamentary law workshop lead by Miss Engledove, a national registered parliamentarian. Representatives from each club participated in the workshop. The major fund-raising activities of the FBLA included the sale of Tom Watt kits, sachet bowls, and coloring books. Members took part in a Walk-a-thon to benefit the March of Dimes. They also attended regional and state conferences and workshops.

Club Provides Job Training

The EFE had an active year selling fruitcakes and having a car wash. They participated in a public speaking and job interview contest. The club joined other area EFE's in Christmas caroling at nursing homes, in a basketball tournament, and in a rollerskating party. The members especially looked forward to a Spring banquet and a trip to Kings Dominion.

VICA Provides Leadership

The VICA Club took advantage of opportunities to attend various leadership meetings this year. Sharon Siler, State VICA Secretary, attended the District VI Rally at Western Albemarle. Several members also attended the VICA State Conference in Staunton, Va. At the conference, Sharon received a State Leader and a State Proficiency Award. The year was concluded with a picnic held at Gypsy Hill Park.

Peak Adds New Equipment

Hoover and D. Heatwole work to meet deadlines.

The Peak staff began their year by sending representatives to an all-day workshop at Gentry Photography. The workshop was designed to develop better picture-taking skills. Through donations from local businesses, the club was able to purchase a new 35mm camera. Members of the staff worked diligently to meet their deadlines and to successfully complete the yearbook.

Publication Changes Format

The school newspaper took on a new shape this year and became known as the Peakazine. The year began with a workshop to help the staff members develop techniques for good newspaper reporting. To finance the Peakazine, several money-making projects were conducted. They included a raffle at a football game, a bake sale at open house, a movie "Bless the Beasts and the Children," and a chicken barbecue.

Three clubs centered their activities around the promotion of athletics and school spirits. To develop interest in girl's sports, the Monogram Club held clinics at local elementary schools. These presentations consisted of a talk and slides which introduced the sports offerings at MHS. The Lettermen's Club sold tobagons, had concessions at girl's basketball games and ended the year with a trip to a professional basketball game. The Pep Club worked hard keeping up school spirit by making signs and banners for the halls and sponsoring both teas for athletic teams and special days such as Lick-em Day and Chew-em-up Day.

SCA Works To Complete Project

The SCA successfully pulled off its magazine campaign by going over its goal. The club worked hard trying to finish its bicentennial project, helping to care for its foster child Shu-Ling, and helping to stuff stockings for the Salvation Army. An exciting election helped teach the students about campaigning and voting, and a May Carnival, sponsored by the SCA helped the other clubs learn to work together.

Election Arouses Interest

The entire student body got involved with the excitement of campaigning during the SCA elections. All week the candidates gave out badges and campaign posters filled the hall. The candidates gave their speeches before the entire school and the votes were cast. Each student voted in first period and the government students tallied the votes. It was an exciting and fun-filled week.

Club Learns The Old-Fashioned Way

This year the Historical Society's money making project was not only a success but also an educational experience. The club's project was making applebutter, the old-fashioned way. The group also sponsored a basketball tournament for student teams. A trip to the Flying Circus ended the year on a thrilling note.

The National Honor Society began a new tradition by sponsoring Almost Anything Goes. Students and teachers competed against each other and spectators had a great time. Twenty-three new members were inducted into the organization. The group's service project was helping to build a school in a foreign country. The organization worked with area high schools to convince them to participate in this service project. At the end of the year the organization gave out book scholarships to deserving students.

Old Rome Comes To MHS

The Latin Club worked hard this year selling candy bars to raise money. Several members of the club represented Montevideo by attending the State Junior Classical League Convention held in Roanoke. The Roman Banquet was a success, and the crowning of Juno, Pam Foltz, and Jupiter, Morgan Lamb, was the highlight. The annual Roman Circus included a variety of skits and chariot races. Academics

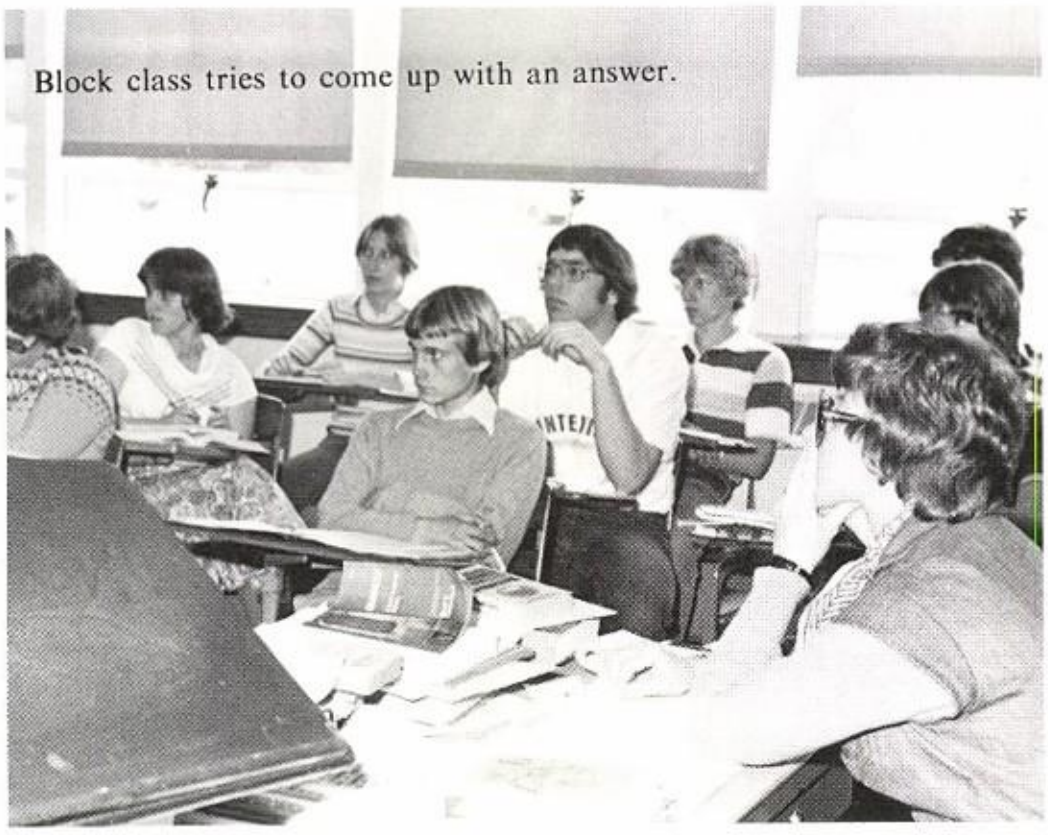
Emphasis Is Placed On Grammar

The objective of the English department this past year was to stress the importance of grammar in writing. All college bound seniors were required to take one semester of Advanced Composition and the other semester was an elective course. Some electives offered were Identity, Mass Media, Ethics, and British Literature. The tenth and eleventh graders were involved in a combined English and U.S. or World History Class. Ninth graders spent time on composition and reading.



Block class tries to come up with an answer.

Students Earn Recognition

M. Morris finds [illegible] is important in construction.

Ag Emphasizes Techniques

The primary goal of agriculture, which is related directly to the FFA, was the "development of agricultural leadership, cooperation, and citizenship." Those in this course were introduced to all the different modes of agriculture. All students enrolled in these classes developed various skills in record keeping. Members were encouraged to take part in judging poultry, livestock, dairy, crops, and mechanics. In construction classes, students worked on the very basics of roofing, house construction, framing, and planning.

Industrial Arts students read their assignment.

Labs Stimulate Interest

The Science Department offered students a variety of five different classes. These ranged from Earth Science to Physics. The year was filled with experiments such as the dissection of small animals, determining unknown solutions, discovering instantaneous speed, calculating the number of dandelions in a given area on the front lawn and mapping land contours. Various field trips were also taken during the year.

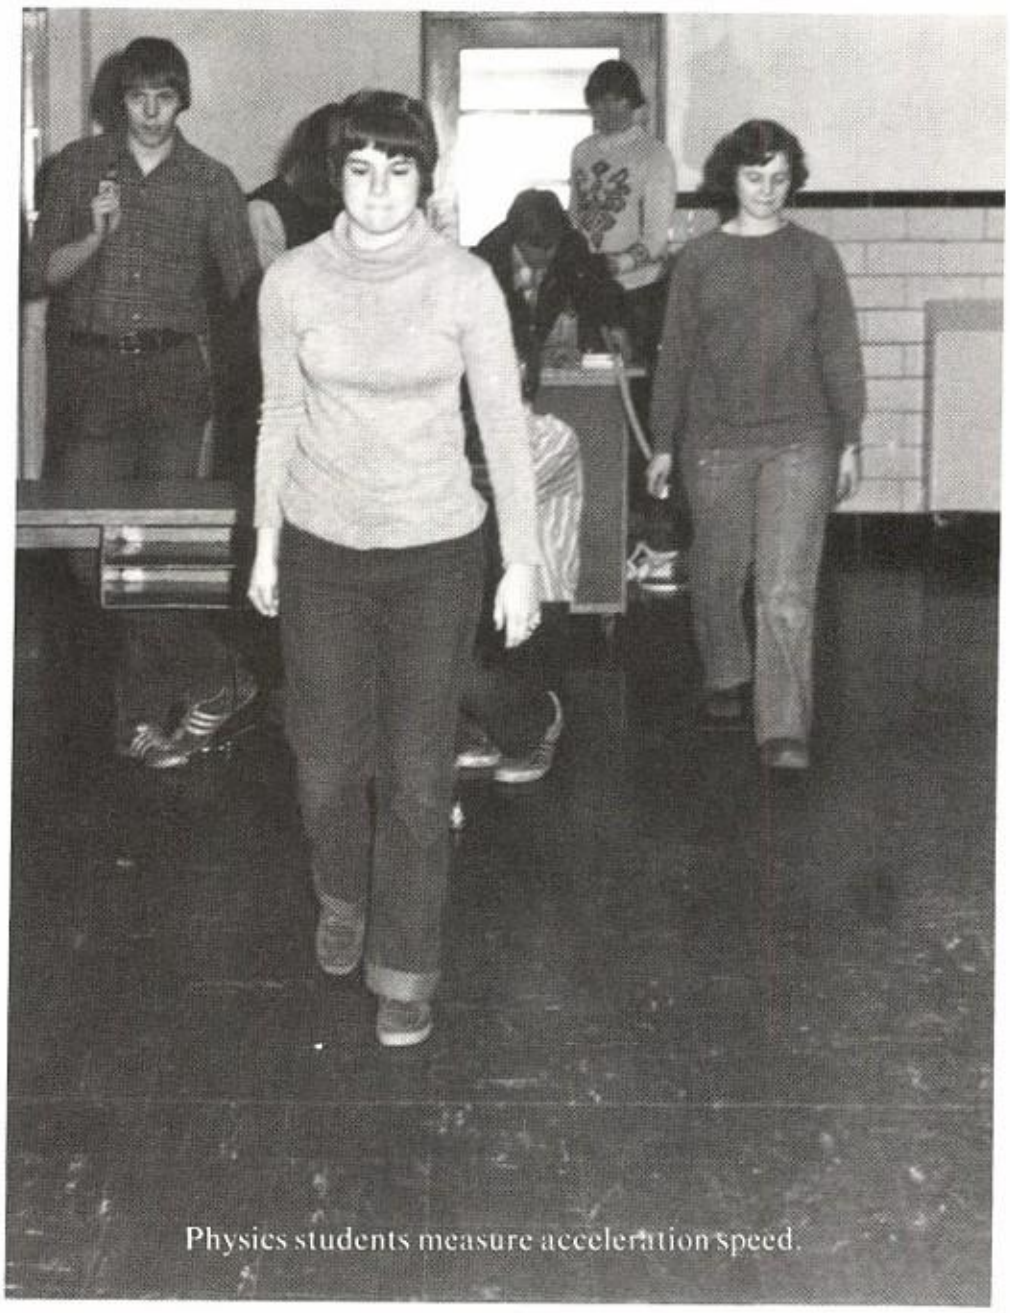
C. Chandler, D. Leeth and T. Mitchell identify unknown with chromatography.

Biology students listen to lecture.



Physics students measure acceleration speed.

Business Prepares For The Future

Many courses were offered to better enable the student to meet the demands of the growing business world. Students learned through many different activities. Some of these were the promotion of business education in the school by the creation of bulletin boards, a trip to the court house to witness the programing of a computer, and by demonstrations such as an IBM Memory Typewriter. Each of these allowed the student to be more informed about new equipment and new techniques.

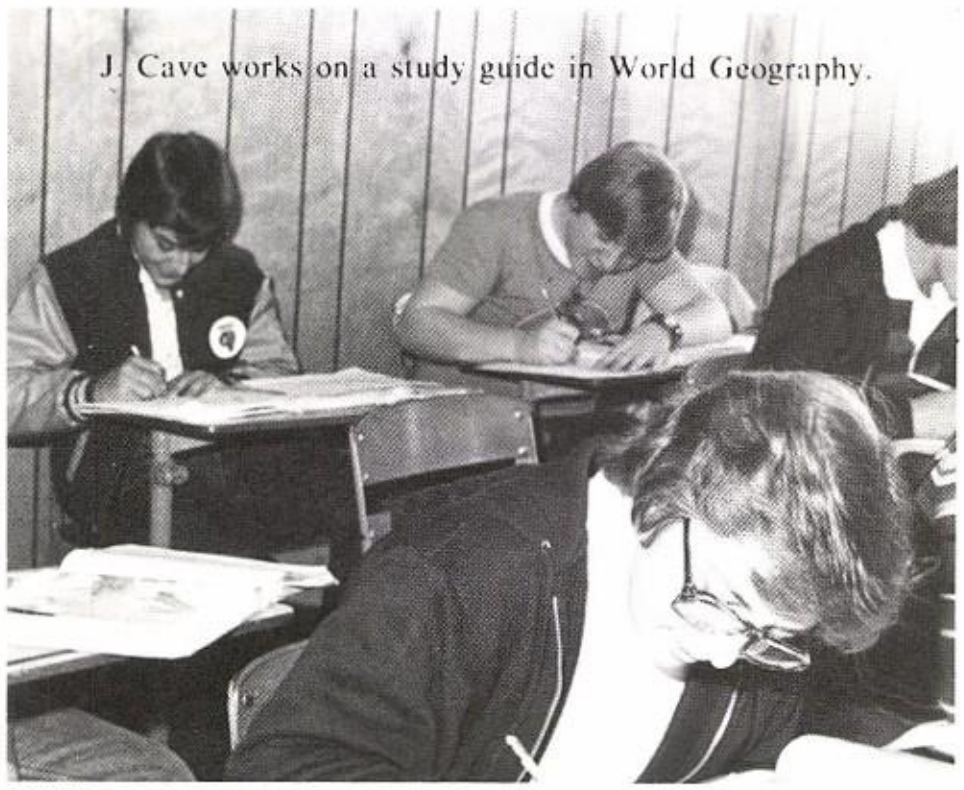
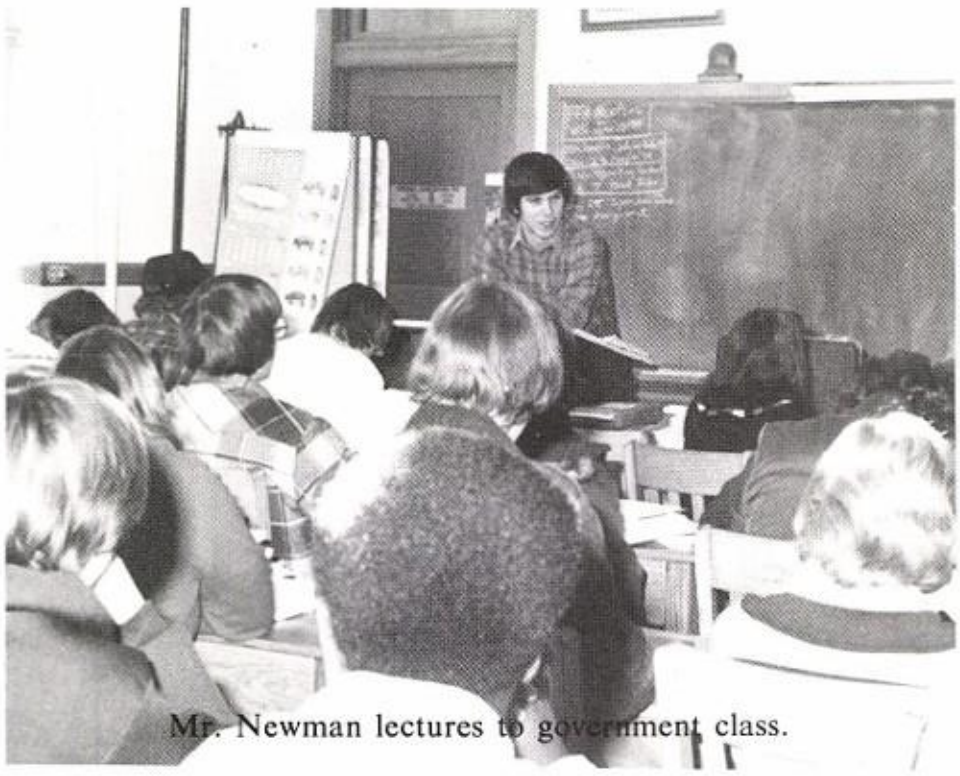
World History Goes Block

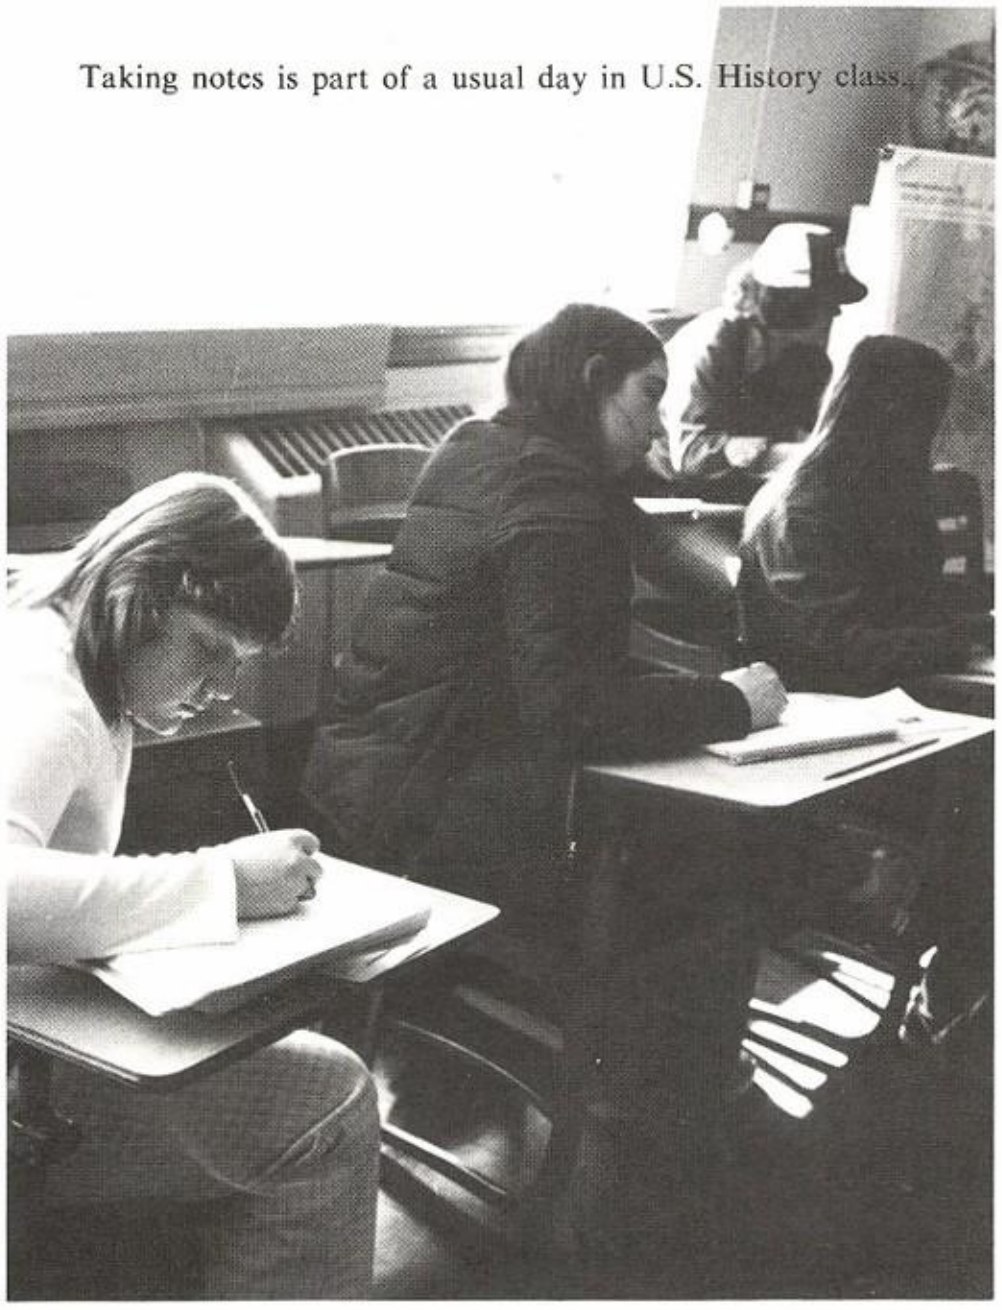
The combination of U.S. History and American Literature continued this year and the block course was expanded to include World History and Sophomore English. The circuit and general courts of Rockingham County were visited by several government classes. To add interest, various guest speakers were invited throughout the year and films were used.

J. Cave works on a study guide in World Geography.





Mr. Newman lectures to government class.



Taking notes is part of a usual day in U.S. History class.

EFE Prepares For Employment

Preparing students for employment or vocational training schools was the main objective of the Employment for Education class this past year. During the year students learned how to fill out a job application and how to handle themselves in an interview. Films and guest speakers were also used for classroom instruction. To close up the year the EFE students took a trip to King's Dominion.

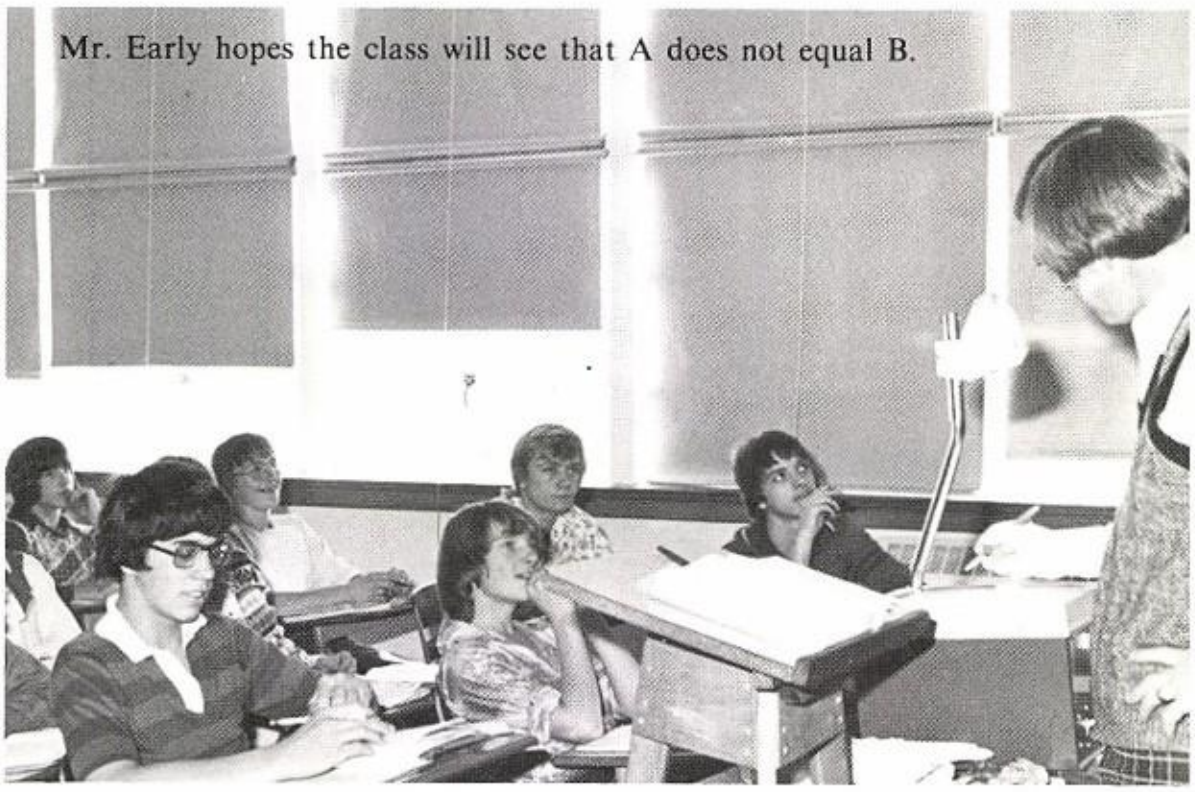
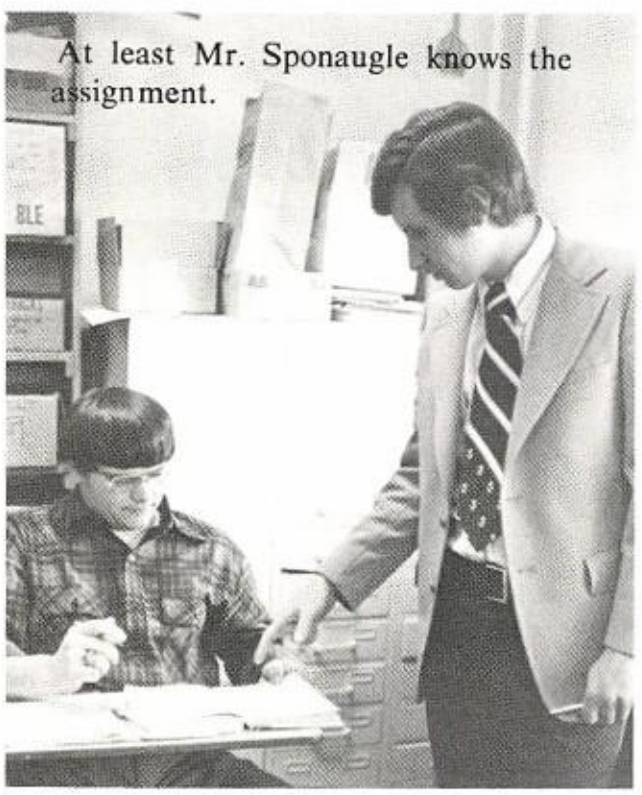
Adding, subtracting, multiplying and dividing. All this and more went through the minds of math students as they solved problems. To culminate the year was the Math Fair which allowed the students to use their imagination and the skills they had learned. Another highlight was the field trip to JMU.

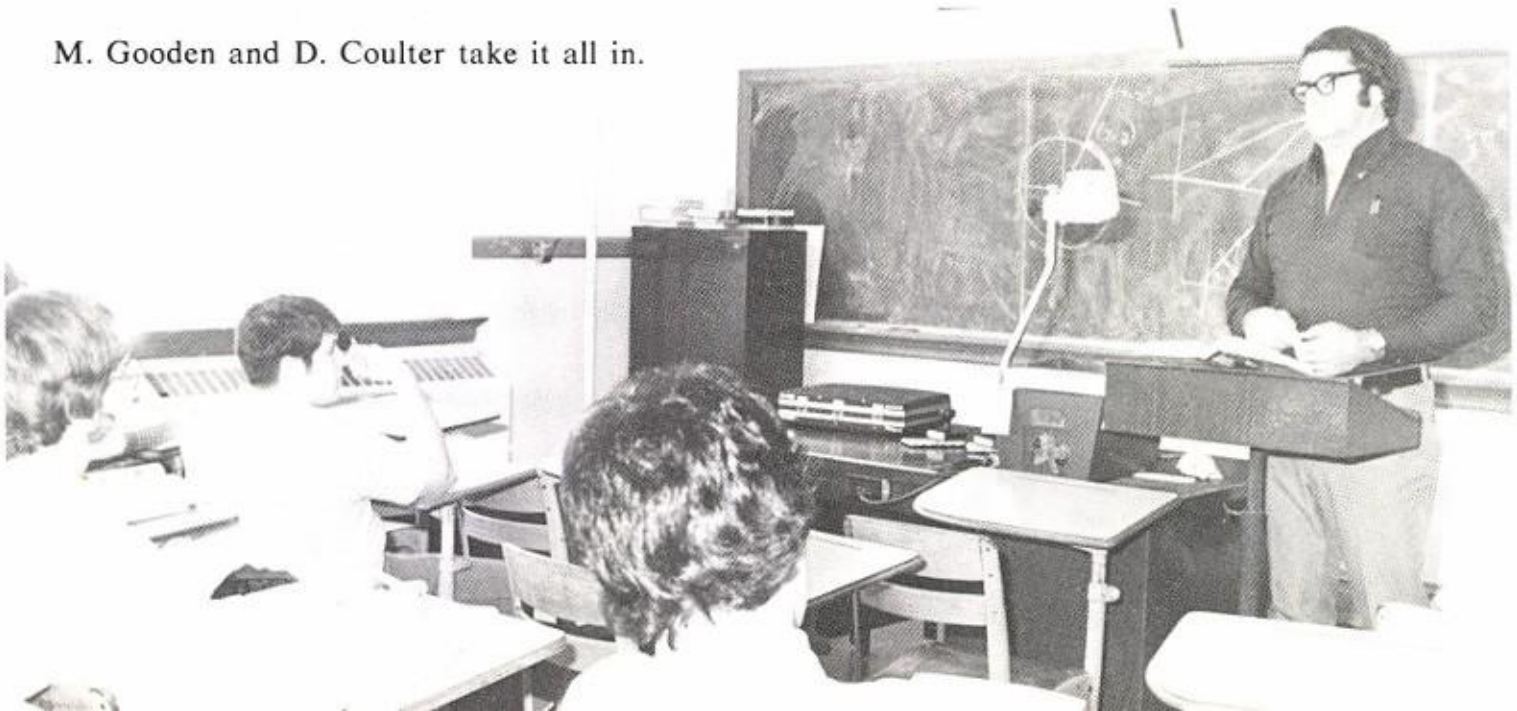


Mr. Early hopes the class will see that A does not equal B.



At least Mr. Sponaugle knows the assignment.

M. Gooden and D. Coulter take it all in.



P.E. Includes Many Sports

This year's classes were co-educational. Ninth and tenth grade classes were required to take basic P.E. in which they learned the fundamentals of basketball, soccer, and track. Eleventh and twelfth graders were offered Advanced P.E. Students in these classes spent the year playing golf, football, basketball, and softball.

Warm-ups are an essential part of class.

Home Ec. Encourages Management

The Home Ec. Department had an interesting year with many different activities. A presentation was given on marriage and family planning, a trip to the Bride's House in preparation for weddings, and individual projects were done to teach management and budgeting. These activities helped students learn to plan for the future and made them aware of problems which can be avoided.

Music Gets Many Involved

The Music Department had a very active year starting with the production of the musical "Godspell". The choral group also attended District V Festival and Regional chorus. The annual Christmas and Spring concerts were given for the public and as an additional activity Music Review was sponsored which gave the entire student body a chance to participate.

Mixed chorus runs over a song.

CVT Is A Survival Course

Co-operative Vocational Training dealt with the teaching of basic academic and vocational skills. A main objective of the class was to prepare students, on an individual basis, for survival in the world. Many materials other than books were used throughout the year.

Students Have Busy Year

The students in the Foreign Language department were kept on their toes this year. French students spent time learning to speak, write and understand the language and customs. Several got first hand experience by traveling to Europe. In Latin, the first year members grasped the basics of the language, while the second year students devoted more time to the history. Those interested in developing their skills enrolled in a third year.

School Leaders Build

This was a year of few changes for the administration and faculty. Four new faces joined the group: Mr. Wright in administration, Mrs. Holmes in Social Studies, Miss Trimmer in English and Mrs. Coffman in the library.

Many students came to realize that MHS was not composed of just classrooms and textbooks but of cooperation and understanding between the administration, faculty and student body. Being aware of the responsibilities and pressures facing students, the faculty and administration were ready to assist and to prepare students for making decisions which would affect the future.

Champs Are Crowned

The Varsity football team enjoyed what may be remembered as its finest season ever. They made it all the way to the state final before dropping a hard-fought game to Perry McCluer.

It was most unusual that the season's turning point came in the first game. Tim Taylor's field goal, which provided the winning margin over Harrisonburg, drew the team together and from then on, it was mostly uphill for the Maroons.

Statistically, the team's leading ground gainer was Doug Hensley and its leading scorer was Mark Dorman but co-captains W.L. Raynes and Mickey Baugher provided on-the-field leadership. The Maroon running attack was centered around the blocking of Joe Reardon and Greg Taylor.

In any estimation, a true champion snaps back when it is down. The Maroon team showed its championship caliber in the come-from-behind victory over Clover Hill to capture the Region B title.

JV's Gain Prestige

Coach Raines attributed much of this year's success to the outstanding play of the Freshmen. He also noted that the future of football at MHS looks bright because of the J.V. team play this year. The keys to the 6-2 season record were four players who rushed for three hundred fifty or more yards and a stubborn defense.

Soccer Picks Up Fans

Coach Magri was pleased with an 8-5 1 season. He pointed out that the team beat its schedule, in other words, defeated everyone on the schedule at least once, except EMHS. The team received excellent support from its Sophomore and Freshman members who were called upon many times to fill in for injured players. Captain Boo Taylor led in scoring and Chip Long led in assists. Defensive standouts were Barry Wilfong in interceptions and Tim Workman as anchorman. Goalie Jimmy Miller had two shut outs and held all opponents except EMHS to two goals. Increased spectator interest boosted team morale, making it the best year yet for the soccer program.

B. Morris goes for the interception.

Cross Country Is Proud Of Record

The Cross Country team had what Coach Sponaugle described as a very rewarding season. After posting an 8-2 record, the team went on to capture the runner-up spot in both the District and the Region and completed its season with a third place finish in the State meet. Captain Rob Kribel and the remainder of the team will be returning next year and the possibility of another very successful season seems excellent.

Rob,
We certainly are missing you this season. We hope to overcome the loss with hard work and chin. Hope you continue track there. Best of luck in your future.

Maroonettes Show Determination

For the first time ever, our Varsity Girls' Basketball team was coached by a man, Mr. Joe Scalise. Under Coach Scalise, the Maroonettes successfully used the stall to knock off the number one ranked team Luray and completed their season with an 11-8 record.

Co-captains Penny Cupp and Valerie Mayes saw a lot of action as did leading scorer and all-district players Betsy Blose. Lori Acker and Kim Strickler rounded out the starting five.

J.V.s Work Hard

Our J.V. Girls basketball team had a new coach this year, Miss Mary Trimmer assisted by Miss Kathie Johnson. Returning from last year were Sophomores Barbara Blose, Pam Foltz and Cindy Cline. Freshmen Lori Strickler and Susan Blose completed the starting five. The J.V. Maroonettes finished their season with an 11-7 record.

[illegible] Blose [illegible]opes for two.

J.V.s Develop Skills

Although the team finished with a 4-14 record, Coach Magri pointed out that most of the games were very close and could have gone either way. He also emphasized the point that JV basketball was a building process designed to strengthen the Varsity program, and although winning was important, it was far from everything. The skill and technique of the players developed noticeably during the season.

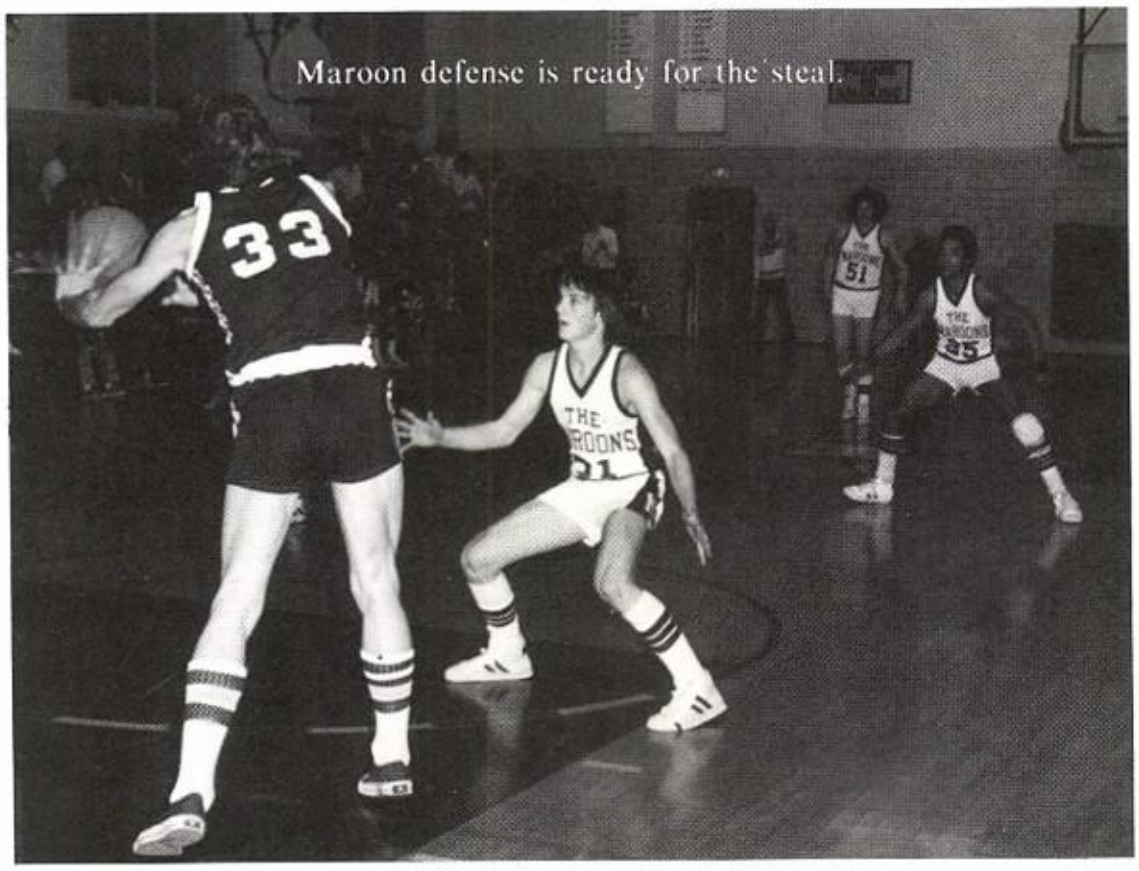
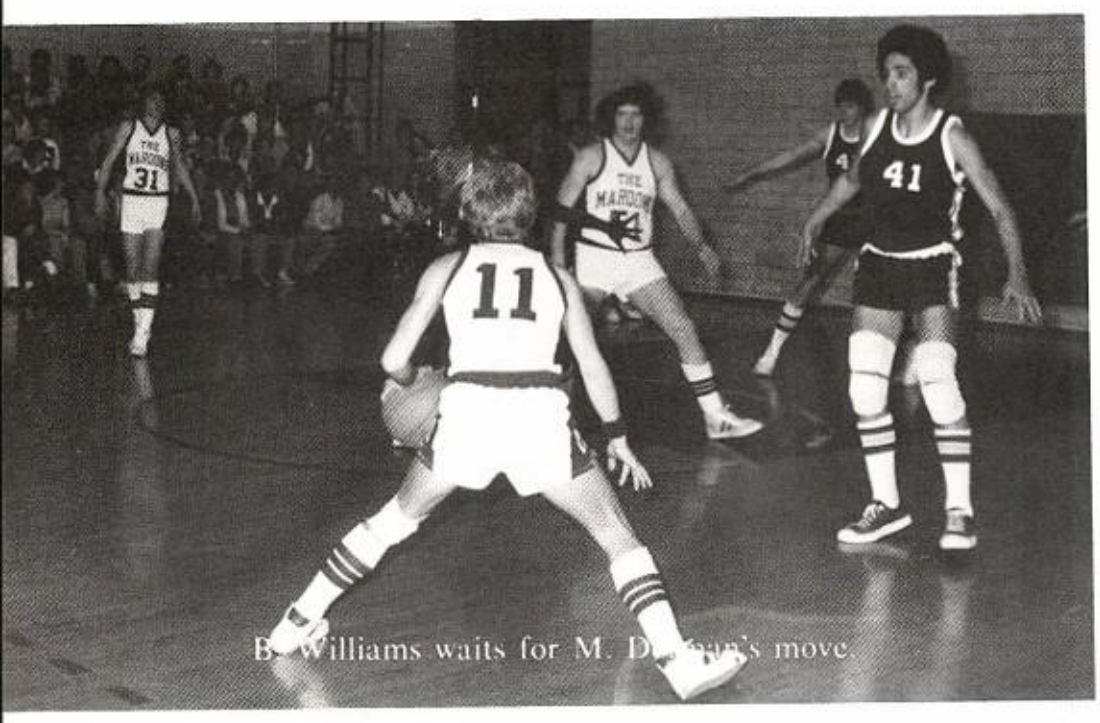
Varsity Looks To The Future

Coach Leatherman summed up the Varsity Basketball program when he commented: "A 14-6 record with three Juniors, and one Sophomore in our starting lineup should set things up for one of Montevideo's finest seasons next year." Reno Darcus and Brad Williams, Junior guards, averaged fifteen points a game. Junior Aron McCarthy grabbed seven rebounds a game. Sophomore Greg Chandler was a starter most of the season. Mr. Leatherman concluded: "Next year should be our year."



Maroon defense is ready for the steal.



B. Williams waits for M. Dorman's move.

Cheerleaders Create Spirit

Cheerleaders not only worked hard during the atheletic season but also throughout the entire year. They spent the summer planning the Miss M.H.S. Beauty Pageant, and sold Valley Banners throughout the school year. The fall and winter varsity attended camp at University of North Carolina where they received a spirit stick and ribbons. The JV squads took part in a clinic at James Madison University where they learned new chants and methods of fan involvement.

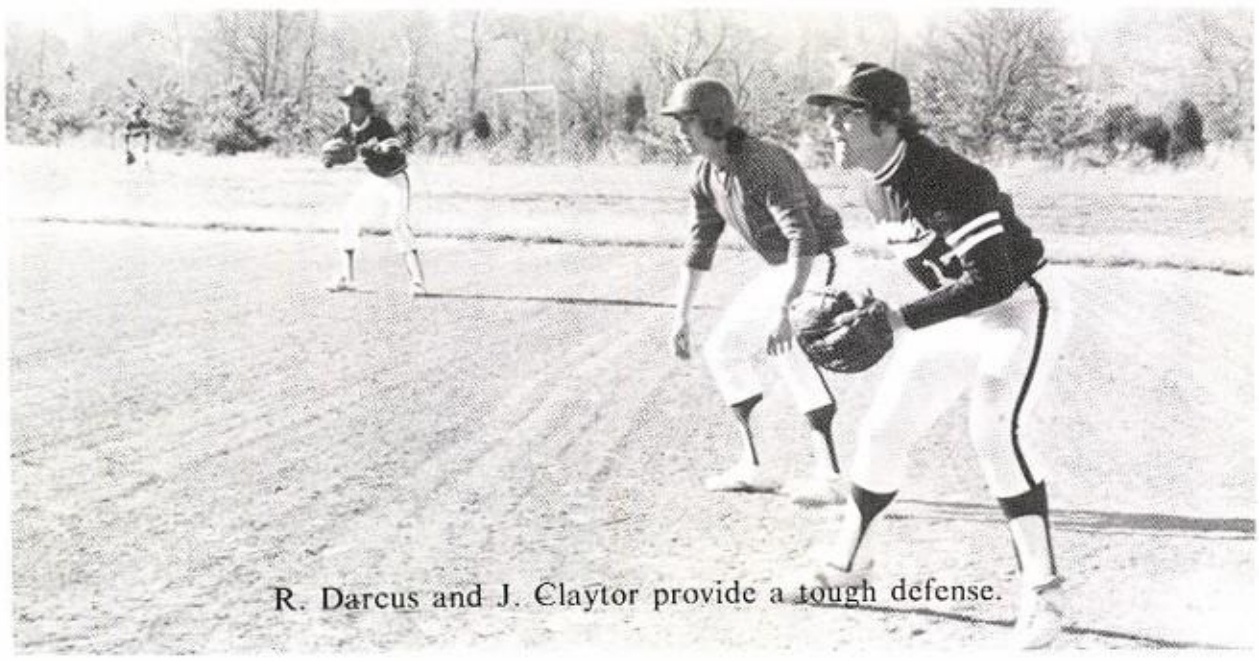
Baseball Defends District Title

Although the varsity baseball team fell short in its bid for another Regional championship, it was a satisfying season because they won the district title without some familiar faces. Mike Morris fashioned two no-hitters and batted .469. Doug Hensley, Greg Taylor, Reno Darcus, and Joe Claytor joined Morris on the All-District Squad. Coach Crawford pointed out that the district title was one of the main objectives and by winning that the season could be considered at least a partial success.

D. Hensley heads for first.



R. Darcus and J. Claytor provide a tough defense.

When asked his impression of the season, Coach Newman explained: "After three losses to open the season, we came on to win our final six games. I didn't give up on the players and they didn't give up on me." He also noted the pitching improved as the season progressed. Top pitchers were Mark Myers, Howie Dunbrack, and Ricky Cave. Leading hitters were Greg Chandler, John Raynes, and Greg Crawford.

Softball Rebuilds

The 1978 softball team finished their season with a 4-5 district record and a 9-6 overall record. Seniors Julie Jones and Valerie Mayes served as captains for the team.

The team twice defeated Waynesboro, the Valley district crown winner, in a double header. "This season was a rebuilding season for us, with this I feel we had an excellent season and hope to capture another district crown in '79," commented Coach Jean Larue.

Girls Tennis Shows Real Spirit

The first year of girls tennis wasn't as successful as one would have hoped. However, according to Coach Straight, "The first couple of years will be building. After that, things should really start falling in place for us. I think we'll do a lot better in the years to come. We have a lot to look forward to." The girls were to be commended for a very fine effort and season.

The boy's varsity tennis team finished their first season with a 4-5 overall record. Their district record of 4-2 earned them a berth in the Regional tournament at Clover Hill High School. In that tournament, Mickey Baugher defeated the James River District champion 6-3, 6-4, and teamed with Fred Glick to defeat their number one doubles team. Coach Failes summarized, "I feel our team gained a great amount of experience from our first year of varsity competition and we look forward to more improvement next year."

Golfers Capture State Crown

"We finally got the one we went after," was Coach Early's comment after winning the Group A State Championship. It was the Maroons third try for the gold cup in as many years. Four Seniors, a Sophomore and a Freshman dominated play as the team successfully defened its District and Regional crowns. Boo Taylor (senior) was season medalist with a 79 stroke average and finished first in the District, fourth in the Region and third in the State. Mert Gooden (senior) finished sixth in the District, second in the Region and fourth in the State. Mark Dorman (senior) the final four-year man, had a second place District and a fifth place Regional finish.

Volleyball Shows Improvement

The varsity girl's volleyball team improved their record over last years ending their season with a 2-4 district, and a 4-10 overall record. This was a creditable feat considering the fact that fourteen of their games were played in a two-week period because of weather conditions. Serving as captains for the team were Julie Jones and Cathy Suter, and the coach was Jean Larue. The turn out for games was good and the crowd saw many action-packed games that ended with very close scores. Fine performances were given by all of the team members and the team should be commended for a great effort.

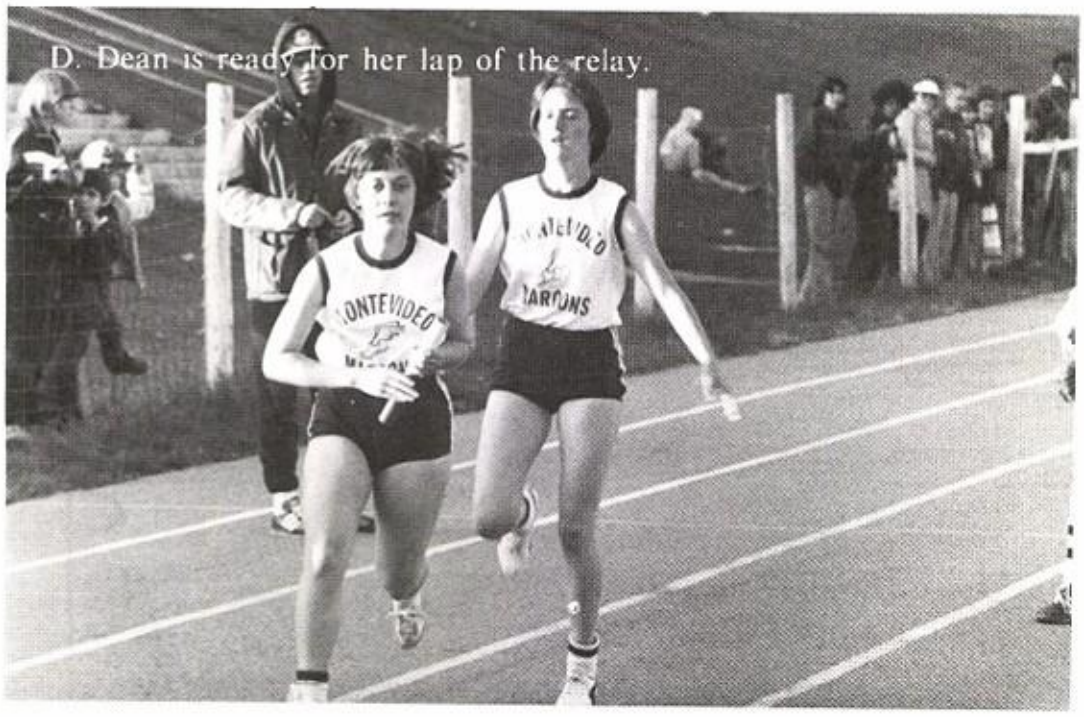
Track Team Meets Expectations



D. Dean is ready for her lap of the relay.

Even though the varsity girl's track team didn't win all of their meets, they still had a sensational season, ending with a 5-3 record. This was much improved over last year's record and was an excellent showing for a team in only its second year.

The team placed third in District, sixth in Regional and fifth in State competition. Records were set by distance runner Marcella McCue in the mile and two mile in school, district, regional, and state competition. New school and district records were also set by discus thrower Penny Cupp who placed in regional and state competition. In all, sixteen new records were set.

Track Keeps Winning Tradition

Coach Glick praised the way the coaches and the team members worked together to make the 1978 season "one of the most gratifying." He pointed out that the Maroon track team won its third consecutive district title although they were not predicted to because of great personnel losses. Several new records were established. Frank Whitmer's state record of 14 feet ¼ inches in the pole vault was one of the high points. With a young team, the Maroons seem set for next season.

Seniors Find Time For All Things

No one can say the Senior class was not busy its last year. Candy sales added funds to the treasury, college applications were completed and graduation plans were finalized. To some, four years seemed like a long time to reach the top, but along the way, learning experiences were shared and lasting friendships were made.

Being a Senior not only meant special privileges, entering an assembly with the student body standing, and a trip to Busch Gardens but also the beginning of a new future. Whatever that future has in store, the Class of '78 has prepared itself to make a mark in the world.

Juniors Await Final Year

The Junior year was special, for it was filled with new circumstances and thrilling activities. This year's class was extremely active, selling T-shirts and organizing a Gong Show to raise money for the long-awaited Prom. The arrival of class rings climaxed days of anticipation. Because graduation is but a year away, Juniors took every advantage of the time remaining. But the time which had already passed held many beautiful memories.

Sophomores Get Involved

A year older and a little wiser, the Sophomores put their heads together, rolled up their sleeves and went to work. Class members joined clubs, participated in sports, and planned projects. Successful calendar and candy sales meant a good start toward money for next year's Prom. Being the middle-man wasn't easy but the Class of '80 has learned to adjust to new situations and meet new challenges with enthusiasm.

Opportunities Open To Freshmen

This was the first year for the Freshmen class to begin making a name for themselves. They have become familiar with subjects and opportunities drastically different from those they experienced last year. Their athletic abilities came to light and they were amply represented in school organizations. Although it was the first year of responsible involvement for the Class of '81, it certainly will not be their last.

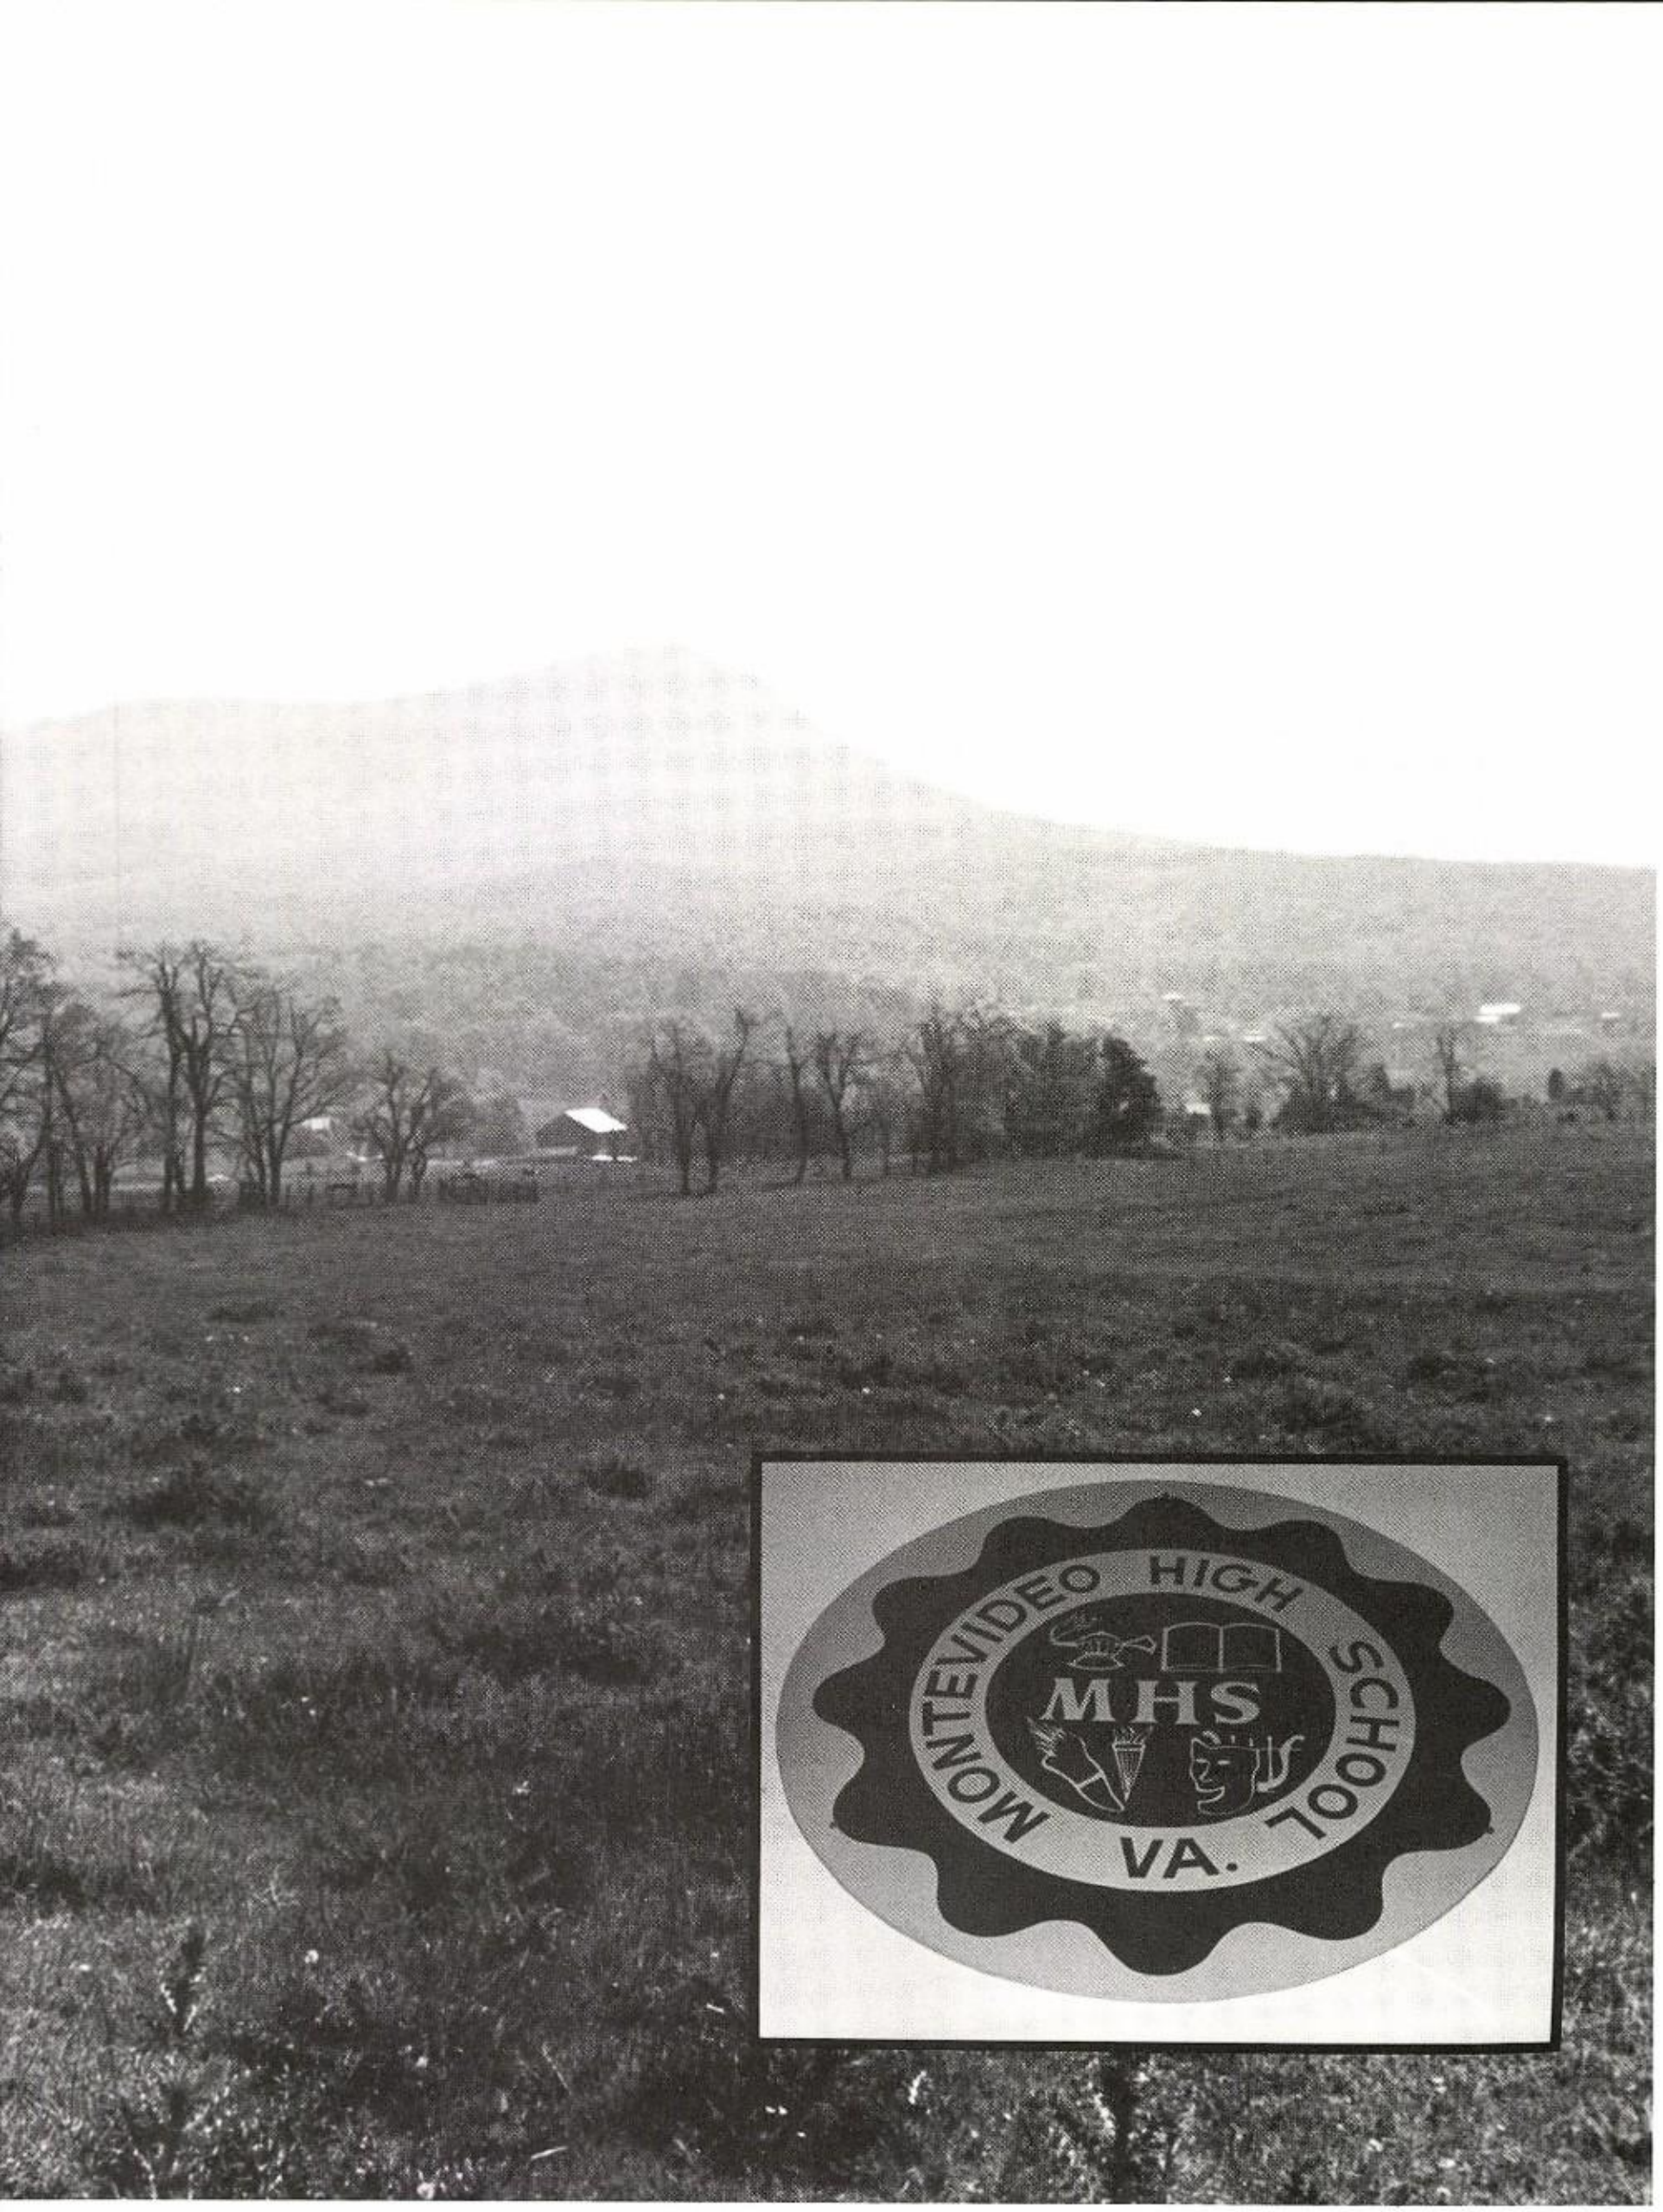
In my pages, I have tried to capture the highlights and meaningful events of the school year. As the days of 1977-78 fade into memories, I will provide you with reflections of this year gone by. Put me in a special place. I AM YOUR 1978 PEAK.



MONTEVIDEO HIGH SCHOOL
MHS
VA.

Throughout the year the Peak Staff has worked diligently to create a yearbook which would express the memorable achievements of Montevideo High School. I am sincerely greatful for the devotion and assistance which they gave.

First, to Mrs. Pat Early, our advisor, I thank you for all the guidance and help which you provided us. Also to Darla Miller, Debbie Heatwole, Kristy Strickler, and Morina Lamb I say thanks for all the extra work you did to meet the deadlines. Frank Hinkle and Cathy Suter were great help in getting copies and scores. Becky Morris must be commended for all the advertising money which she collected for the staff. To Donnie Liskey I want to express my gratitude for collecting donations which made it possible for the staff to purchase a new 35 mm camera. I appreciate all the cooperation and fine pictures we received from Gentry Photography and Mark Souder, the staff photographer.

Finally, I can truly say that with out the aid of these people, the 1977-78 Peak would not have been the success that it is.

Dear Rob,

Finally after a year of not seeing this book I get to sign it! You got the book in August and it's now June! (Morgan caused me to smear it - sorry!)

I've really missed you this past year at old M.H.S. and I know you missed your senior year here. Track, friends and everything else you left behind is (or should I say was) at your new school though. But I guess friends are hard to replace and that is the only setback!

Because of track, I got to know you better. Thanks for your support and help in all of the practices and meets. You were great and I'll never forget you for it. If I wouldn't have run I would not have met you and that would have been sad! Thanks again!!!!!!!!!

I can hardly think of anything else to say that always seems to be a problem for me! HA! HA! Keep in touch and never, ever, ever forget me because I'll never forget your crazy boys - yours and Morgan's! Stay out of trouble in college and Thanks for [illegible] thing!!!

Love,

Susan

(SUSAN G. BLOSE)

P.S.
Keep runnin'

Rob,
Good luck
in the future
in the track.
You might do
good if you would
get off your butt.

Rob,

To a great guy who I hope has a great success in life as he does it. Also a great time (without partying too much) when I first met you. Hope we will in spring and have great times we have had and will have. Never forget me. I'll Kill you. That's all I can think of right now. Have fun writing your thoughts and always with me in Alabama and my thoughts are always with you.

Love, Joe

Rob,
I wish you
hadn't moved!
Oh well good luck.
Write me and let me know
how you are. May all your
dreams come true and don't forget
me.

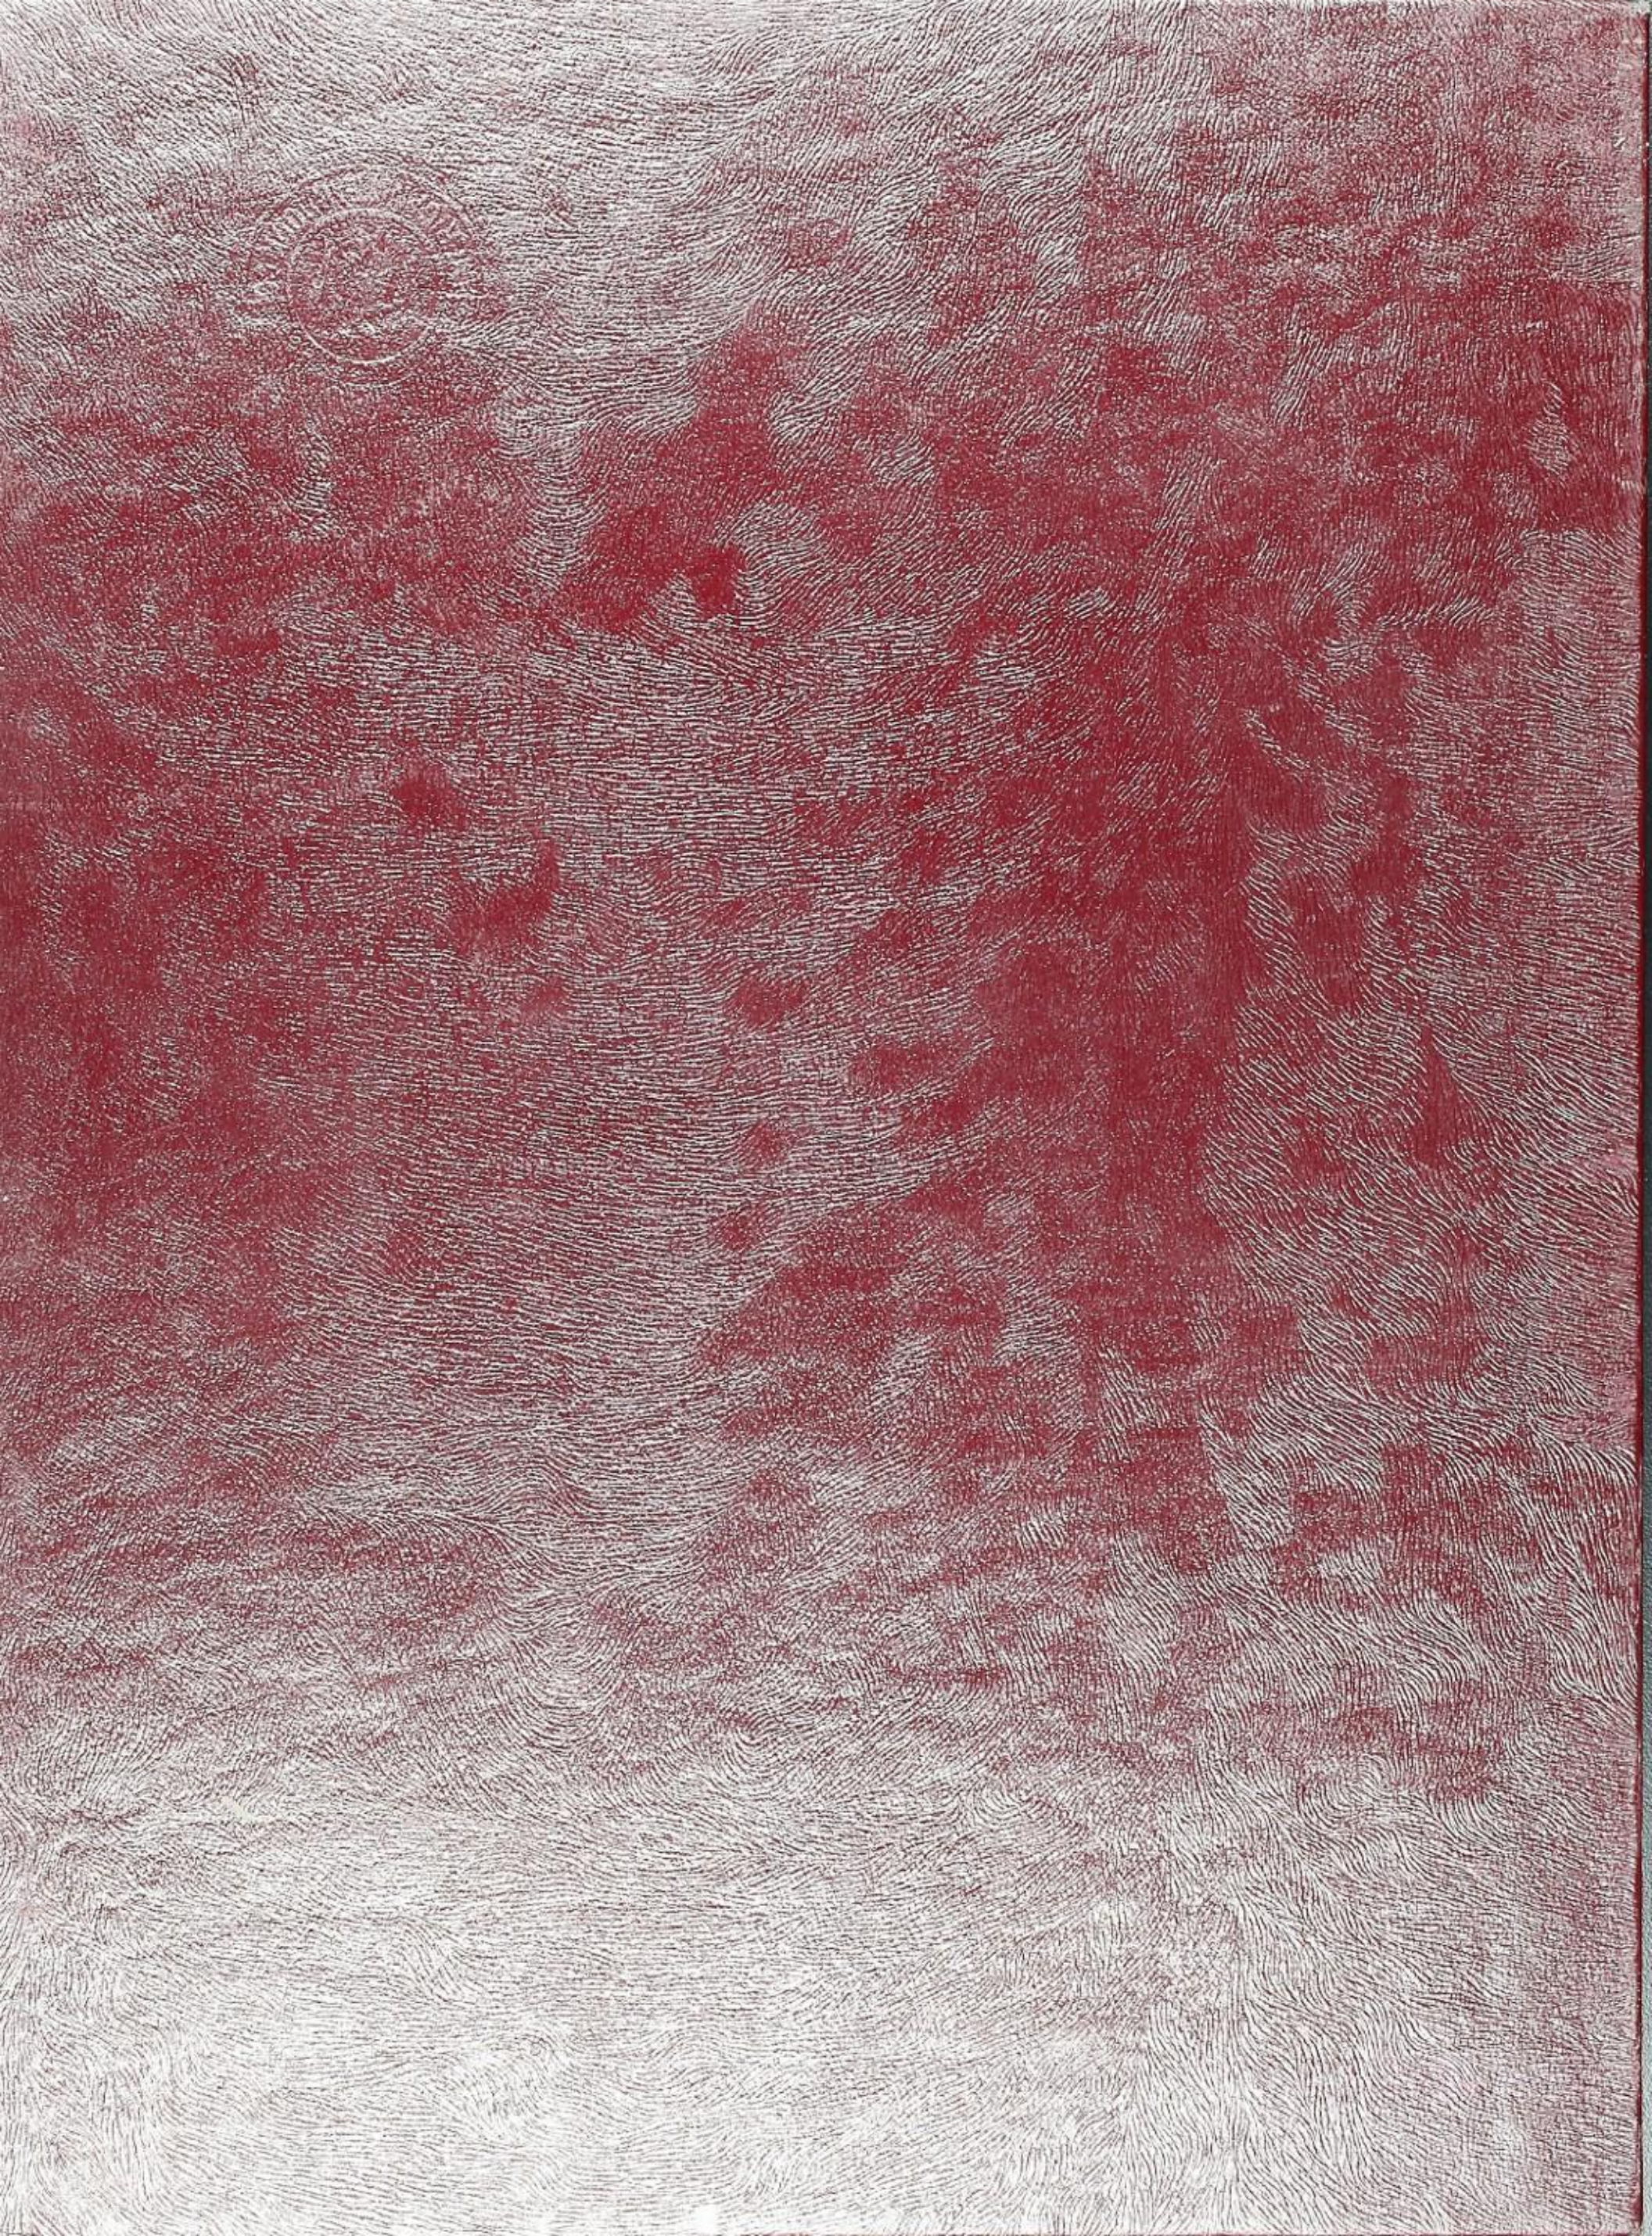
Rob,

What da say Brother Dear?? Can you believe it, I don't know what to say? So how the Alabama life going for ya?? Did you hear about the one about, oh hold it... Do you remember Delia Beard from Alabama again. Okay so many people have so many stupid Alabama jokes now because of her unfortunate, but hilarious, turn in the spotlight. Ha Ha Ha I'm sorry but it's just so funny. Anyway I'm so glad you're having a great time down there. Be good to Sue Ellen and your mother and I'll see you when I get back. Love Dad


Should've done that one day I had it in the kitchen and it was happened so many times. Believe me. Oh, it was terrible, but I'm sure you'll look back on this someday and laugh. Just remember to be careful and watch your step. Oh, it was pitch dark all around me. Oh, it was pitch dark all around me. Oh, it was pitch dark all around me
